Ballot Deadline Six Weeks Away

Charter Commission To Step Up Number of Conferences

Faced with a deadline just six weeks away, the Salem Charter Commission was told last night by its chairman, Atty. Lozier Caplan, that the group must step up the number of meetings held each week until the proposed city charter is put into its final form.

Caplan said he has been informed by the County Board of Elections that copies of the proposed charter must be in their hands no later than Sept. 27 if the issue is to be placed on the Nov. 7 ballot as planned.

The Commission, which has been meeting every Monday night since the first of the year, met in a special session last night at City Hall to continue making additions, corrections and deletions in the rough working draft of the charter which was prepared by M. D. Portmand of Columbus.

Portmand has been hired by the city to advise and handle technical writing of the charter.

Most of the rough draft was written from notes taken on items agreed upon at various Commission meetings throughout the year while other sections were added by Portmand, calling upon experience gained in his working on numerous other city charters.

In going over the rough working draft, which was presented two weeks ago, Commission members have proposed changes to nearly every section of the 42-page draft.

This is what the Commission did during two lengthy sessions this week and will be doing at its next meeting scheduled for 7:30 p.m. Monday in the Council Chamber at City Hall.

A public hearing on the proposed charter has been set for 7:30 p.m. Monday, Aug. 28, at the Memorial Building. Chairman Caplan says he is eager to have all groups, clubs and individuals interested in the welfare of the community to attend the public meeting.

After the charter is completed, Striking Pen Inmates Face Term Extension

COLUMBUS, Ohio (AP) — A dozen to 15 inmates at Ohio Penitentiary face possible extensions of their prison terms of confinement to disciplinary ranks for their parts in a work stoppage in the license tag shop.

Maury Koblenz, director of the state division of correction, said the inmates probably responsible for the stoppage will be given hearings.

Koblenz said about 175 of the 200 men in the shop returned to their jobs Wednesday, after about 1½ days off the job.

Deputy Warden E. L. Maxwell said some of the workers had "made a lot of ridiculous demands which we rejected." He added that "some of them thought they had us over a barrel because a recent fire had interrupted production."

Prisoners are paid 4 to 8½ cents an hour for their work, depending upon the number of dependents they have.

a copy will be mailed to every eligible voter in the city. Caplan indicated that this would be sometime during the week of Sept. 24.

The Commission last night concentrated on cutting from the proposed charter what Ford Joseph Jr., referred to as "excess verbage."

The Commission stated right from the beginning, throwing out the entire preamble in the rough draft and substituting in its place one proposed by Bryce Kendall.

The preamble now reads as follows: "We, the people of the City of Salem, in the County of Columbiana and the State of Ohio, in order to secure for ourselves the benefits of municipal home rule,

accepting the heritage of free people to have the fullest measure of freedom in exercising the powers of local self government under the Constitution and laws of the State of Ohio, do hereby adopt and establish this Charter for the government of the City of Salem, Ohio."

The Commission boiled one section, dealing with the power to expel or remove elected officials except the mayor, down to this statement: "Absence from four consecutive regular meetings shall operate to vacate the seat of a member unless the absence is excused by motion of Council set-

Cuba Refuses To Sign Alliance Aid Charter

PUNTA DEL ESTE, Uruguay (AP) — The Inter-American Economic Conference winds up today with the final signatures—but not Cuba's—on an 8,000-word charter launching President Kennedy's \$6-billion Alliance for Progress to get the jump on communism in Latin America.

In the closing hours of the conference U.S. Treasury Secretary C. Douglas Dillon and Cuban economic czar Ernesto Guevara

traded bitter words early today after the United States and 19 of the 20 Latin American nations had approved the charter and a 1,000-word summary to explain the program to the Latin American public.

Guevara, after abstaining on the vote, said the conference had established the "first link for real peaceful coexistence in America." He asserted the United States had voted for all parts of the charter and that this was an admission "that there can exist regimes which are not committed to free enterprise."

"Those governments which are against our system shall recognize the irreversibility of the Cuban revolution," Guevara declared.

Accusing Guevara of "untruths and falsehoods . . . to give the implication that the United States somehow recognizes the permanence of the present regime in Cuba," Dillon said: "This we do not do and never will do because to do so would be to betray the

Biggest U.S. Rocket Engine Flunks Test

EDWARDS AIR FORCE BASE, Calif. (AP)—After 18 successful secret test firings, America's biggest rocket engine flunked its first public demonstration.

The mighty F1, on which America has pinned its hopes of being first to put men on the moon, burned for only 1½ seconds Wednesday before a malfunction forced it to stop.

It was scheduled to at least equal its longest previous burning time of 20 seconds.

In even that brief period, however, instruments showed it flunked up a thrust of a million pounds—almost three times the power of an Atlas intercontinental missile.

When working properly the F1 engine has a thrust of 1½ million pounds.

Engineers explained after the failure that the extreme vibration of the engine had damaged a switch on a fuel valve, causing an automatic shutdown.

It was the first time newsmen

Army May Add 150,000 Men By Next Year

Program Governed By Developments Of World Tensions

WASHINGTON (AP) — The Army today was embarked on a program that could add as many as 150,000 men to its present strength by next summer.

Secretary of the Army Elvis J. Stahr Jr. says the extent of mobilization will be governed, to some degree, by what happens in the Berlin crisis and elsewhere in the months ahead.

He told a news conference Wednesday that, among other things, the Army has alerted 113 units of the National Guard and Reserve, with a total of 23,626 men, that they have been designated "priority units for possible call to active duty."

Stahr said the Army expects to reach an authorized total by next June 30 of 1,008,000.

"We still may not and, indeed, we hope that the international situation will be such that we don't have to call these reserve units and individual reinforcements from the mobilization pool," he added.

However, there was more certainty about the future for other soldiers. The Army intends to extend the duty tour of about 84,000 enlisted men who until now had been scheduled to complete their enlistments between Oct. 1 and next June 30. Instead, they will be ordered to stay on for periods up to four months. In that time, the Army expects it will have received enough men from training centers to replace the 84,000.

Officers have their plans cut out for them, too. Those who now

Madison Twp. Tavern Razed

Loss Is \$20,000 In Early Morning Fire

LISBON — Fire of an undetermined origin destroyed the Bar-X Tavern on the Y & O Road in Madison Twp. early this morning, causing an estimated \$20,000 loss.

Asst. Fire Chief Edwin Bergman of the West Point Volunteer Fire Department said Kenneth Alloway, driver for the T & K Roofing Co., Chester, W. Va., discovered the blaze.

Alloway drove down the Y & O Road and awoke Claude Williams, owner, who lives just south of the tavern, and he called firemen.

West Point sent two units and 25 men and summoned the Glenmoor Department which dispatched about 15 men. However the firemen were unable to bring the raging blaze under control.

A Calcutta wrecker was called to move a hoosetrailer occupied by Mr. and Mrs. Norman Weaver and parked near the tavern. Another nearby hoosetrailer occupied by Richard Roach was wet down

Chemist Seeking Asylum

Top Soviet Scientist Defects To Canada

OTTAWA (AP) — A prize-winning Soviet chemist, Mikhail A. Klotchko, remained in a secret hideout today after slipping away from a party of visiting Soviet scientists and taking political asylum in Canada.

Klotchko, 59, had been awarded the Stalin Prize and Order of Lenin, indicating he stood well in Soviet scientific circles. He is a specialist in organic chemistry.

In Moscow the Soviet Foreign Ministry declined comment on the defection. Spokesmen at the Soviet Academy of Science and the Soviet Academy of Organic Chemistry claimed they had never heard of Klotchko.

Commissioner C. W. Harvison of the Royal Canadian Mounted Police, who took Klotchko under his protection, described him as a chemist of "considerable world importance."

Harvison said Wednesday night he preferred to let Klotchko tell

his own story of what motivated his defection but that the Russian wanted a good night's sleep before deciding whether to meet newsmen.

Klotchko was in a group of Soviet scientists that came to Canada early in August for the 18th International Congress on Theoretical and Applied Chemistry in Montreal and stayed on to do some sightseeing.

Klotchko is a widower with no family in the Soviet Union.

Soviets Handed Protests By Western Allies

Brandt Sends JFK Appeal For Action Instead of Words

WASHINGTON (AP) — The Western powers today delivered formal protests directly to the Soviet government against the refugee barricade along the East-West frontier in Berlin.

The U.S., French and British Embassies handed the notes to the Soviet Foreign Ministry in Moscow.

Contents of the notes were not made public immediately, but they were expected to contain strong protests.

But President Kennedy and other top Allied leaders faced mounting pressure for action as well as words to counter the Communist crackdown on travel inside the divided city.

West Berlin Mayor Willy Brandt disclosed Wednesday he had sent a personal letter to Kennedy that "Berlin expects more than words, it expects political action."

The Western powers have already protested against the border closing through their military commanders in West Berlin to the Soviet Commandant in the eastern section of the city.

But Western representatives meeting here decided earlier this week that the United States, Britain and France should also put directly before the Soviet government their accusation that the barricading of the Communist zone border with West Berlin violates allied agreements going back to the end of World War II.

State Department officials said Wednesday they expected action on the note within 24 hours, evidently meaning it would shortly be delivered in Moscow.

U.S. officials reportedly decided against using far-reaching economic measures such as broad-scale cutbacks in East-West trade because such steps have been planned for possible Western countermeasures to actions which the Communists might take later this year against the supply lines to West Berlin.

Also, U.S. and British officials are understood to be reluctant to take steps which might provoke retaliatory actions from the Soviet Union or East Germany at this time.

Bands To Perform at County Fair Named

LISBON — Bands which will participate in the 116th annual Columbiana County Fair next week were announced today.

The County 4-H band is scheduled to perform Tuesday; Lisbon High School Band, Wednesday; United Local Band, Thursday; East Palestine Band, Friday; and Columbiana Band, Saturday.

The health tent at the state fair will have displays from eight health agencies, according to Mrs. Anna Gruber, of Hanoverton, chairman of the tent.

The Columbiana County Medical Society will pay a considerable portion of the costs of operating the tent but will not have a display of its own, Mrs. Gruber said.

Man Charged In Traffic Death of Boy

Manslaughter charges were filed today against John Pethel, 57, of Lake Milton, following the death yesterday of a 16-year-old Youngstown boy who was knocked off his motorcycle by Pethel's car at the junction of Rts. 18 and 534 Saturday night.

Pethel had been charged with hit-skip and driving while intoxicated after being picked up by the state highway patrol in a bar following the accident.

The youth, James Semko, had been released from Youngstown South Side Hospital after being treated the night of the accident. However, he returned to the hospital the following day and it was discovered that he had fractures of both heels.

He then contracted pneumonia and died in the hospital at 1:25 a.m. yesterday. Mahoning County Coroner David A. Belinky ruled the death a traffic fatality, the 37th in the county this year, compared to 24 at this time last year.

Youth Group Set to Provide 1.7 Million

Effort Cited As Attempt To Swell Barricade Forces

BERLIN (AP)—East German Communist leaders launched a gigantic military recruiting drive today. They called on the 1.7 million members of their youth organization to volunteer for the army.

The effort to swell the ranks of the troops—now estimated by Western authorities to number 110,000—came as the Western Allies protested to the Soviet Union against the Red barricades that bar refugees and other East Germans from West Berlin.

The United States, Britain and France charged that Communist restrictions in Berlin were completely illegal and violate the city's special four-power status. They held the Soviet Union responsible for East Germany's sealing of the sector border and demanded "an end to these illegal measures."

The notes, described as identical, took direct issue with the East German contention that the new barricades in Berlin mark an international boundary.

The sharp Western reaction was illustrated by an acid paragraph in France's protest:

"The French government has never agreed that any limitations can be imposed on the liberty of movement within the city. The line of demarcation between the Soviet sector and the Western sectors of Berlin is not a state frontier. The French government considers as illegal the measures which the East German authorities have just taken."

All members of the Red youth organization were called to special meetings Friday at dawn in schools, factories and collective farms to hear the appeal to volunteer. The orders were issued by Horst Schumann, 37, first secretary of the youth organization.

The young people were told that

Peace Corps Aims to Help Tanganyika to Prosperity

By LYNN HEINZERLING
DAR ES SALAAM, Tanganyika (AP) — "To fight problems not people," President Kennedy's Peace Corps could hardly find a more suitable place than Tanganyika.

The country has all the difficulties which plague Africa—disease, backwardness, poverty, a shaky economy and a colonial background. Peace and prosperity is what Tanganyika wants.

There are more than 100 tribes in Tanganyika, their past studded with bloody combat. The survivors appreciate the advantages of peace.

With 500 miles of coastline on the Indian ocean, Tanganyika has in its long history attracted Arabs and Persians, Indians and Chinese. The warlike Masai tribesmen filtered in from the north, and some of southern Africa's aggressive Zulus settled here.

Asians, Africans, Arabs and Europeans live together in comparative calm while the wind of change sweep Africa. The 30 members of the Peace Corps due later this year will find their know-how more important than the color of their skins.

But they're likely to find physical conditions tough.

Tanganyika is a country about a tenth the size of the United States. Within a few miles of the capital, Dar es Salaam, with its modest luxuries, life can be wholly primitive among the Africans in mud or thatch huts.

Despite the efforts of missionaries, the witch doctor still is an important figure in the bush, and the majority of Africans are pagan. And to the clock-conditioned Westerner, their practice

of ordering their lives by the position of the sun in the sky can be exasperating.

The country's greatest asset as it moves toward independence on Dec. 9 this year is not its diamond mines or its plantations, but a slender, onetime school teacher, Julius Nyerere, now prime minister.

Head of the only effective political organization in the country, the Tanganyika African National Union (TANU), Nyerere has led Tanganyika in the smoothest passage into independence experienced by any African territory.

It was Nyerere who decided the Peace Corps could help Tanganyika and the government backed him unanimously.

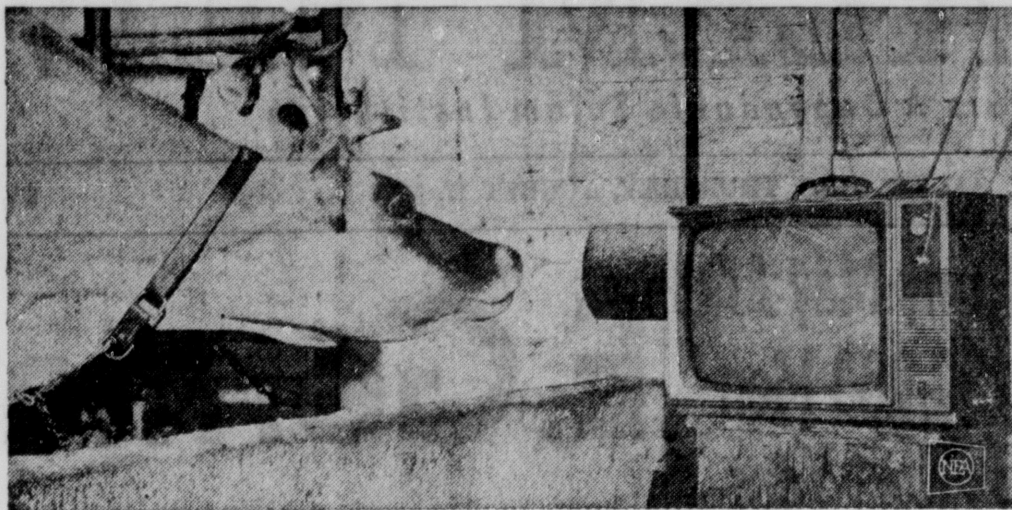

The Peace Corps mission to Tanganyika—first on the African continent—will include surveyors, engineers and geologists. They will make a survey for a feeder road system throughout the country. The roads will be designed to bring crops such as cotton, coffee and sisal to market and give African farmers a chance to exchange their labor for cash.

Malaria is prevalent throughout Tanganyika except above an altitude of 7,000 feet. The Peace Corpsmen will take preventive pills for two years.

The other serious threat to health is sleeping sickness. It is spread by the tsetse fly. Corpsmen working in the bush, where it breeds, will quickly learn to identify it and avoid it.

An effort is being made to eliminate the tsetse fly by clearing bush and spraying, but parts of five of the nine provinces are still danger spots.

Except for the famed William-

AFL-CIO Affiliation Sought

4,000 Cincinnati Members Break From Hoffa's Union

CINCINNATI (AP) — A bitter and perhaps prolonged labor struggle loomed today on the heels of an almost unanimous break of some 4,000 greater Cincinnati members from James R. Hoffa's Teamsters' International.

It is the first major revolt against Hoffa's administration since his recent reelection.

Members from the dairy drivers, beverage workers and funeral and livery drivers locals met in three separate meetings to approve the rebellion.

Affiliation with the AFL-CIO was the expressed ultimate aim of the rebels.

Harold Gibbons, executive secretary of the International, addressed 1,700 members of the dairy drivers organization. But, taken under heavy police escort to a meeting of beverage workers, he was not permitted to enter the room.

Funeral and livery drivers followed earlier action of brother-affiliates in Hamilton, Ohio, in unanimous action to leave Hoffa's ranks.

All decisions were by standing vote only. Organized cab drivers will vote on the issue today.

Gibbons said he and his boss (Hoffa) would "fight, forever if necessary" the decision taken Wednesday night and that the international union would set up an organization here "just as soon as it can be assembled."

But, he added, "we have no plans to come here and 'muscle' anybody. That went out with high-button shoes."

If as few as seven members indicate preference to remain in International charters will be maintained, Gibbons said. If the figure drops below seven...new

of Newark, N.J., to oppose Hoffa for the presidency. He called Liss as the one "the man who could give us the best chance to return to the house of labor." Liss went down to overwhelming defeat.

Gibbons, like William Presser of Cleveland, president of the Ohio Teamsters' Council, flew into Cincinnati late Wednesday. Presser told newsmen in a downtown hotel his visit was not concerned with Cincinnati problems and he declined further comment.

HEARING POSTPONED

LISBON — A scheduled hearing Wednesday on a request for a temporary injunction filed by the state of Ohio against the K B Skating Rink at Cannons Mills, was postponed at the request of counsel for both parties.

The state claims the failure of Kenneth Burt to get a permit for the addition he built to the rink in July, 1958 is a violation and therefore makes the building a public nuisance.

Trying The Less Intolerable

Two things stand out in the vast and complex background of the Communist decision to seal the border between East and West Germany.

First, the decision was prompted by domestic problems in the Red-run sector. Second, in making the decision the Communists demonstrated again their talent for ignoring the legalities of formal agreements.

Both points have a profound bearing on the entire Berlin crisis, which is a crisis not only in the sense of its occasional explosive immediacy but also in the sense of its continuing aura of frustration.

Unable to do anything within the Communist frame of reference to improve the sordid spectacle of life in East Germany, Moscow has appealed repeatedly to the Western powers to help it out of its intolerable situation.

The appeals, of course, have not been of the groveling or even reasonable type. Sometimes they have been threats, sometimes challenges to negotiate, very often both.

BEING ON THE happier side of the contrast between East and West Germany and recognizing that a new formal agreement on Germany would have no more legal impact on Moscow than any of the previous ones, the West has heard but not heeded the appeals.

It does not relish the tight-wire diplomacy it must follow in Berlin, but it is not of a mind to help Khrushchev, Ulbricht, — Co. out of its economic, political, moral and diplomatic bankruptcy. That bankruptcy is the clearest evidence in the world today of

everything the West means when it talks about the difference between the Communist way of life and the free way of life.

So the situation has grown more intolerable for the Communists. Unable to let the situation continue, they are forced to make some decisions. But their choice is not between the more or less tolerable, only between the more or less intolerable.

Apparently they reached the conclusion that the increasing flight of East Germans to the West, compounding the myriad internal troubles of the East German puppet regime, was the more intolerable, so the decision was made to try what the Communist mind would consider the less intolerable — closing of the borders to stop the flight.

THERE ARE RISKS involved, because few desperate situations can be solved without taking some risks. And the Khrushchev-Ulbricht company is desperate so far as East Germany is concerned.

There are risks for the West, too, and we are as aware of the risks as Khrushchev is. The risks are what provide the basis for the maneuvering, the talks, the challenges, the threats, the military planning on both sides.

But what makes fortitude in the face of risk worthwhile for the West is the fact that the fundamental cause of the continuing Berlin crisis is the miserable performance of communism in East Germany in glaring contrast to the recovery of West Germany.

The division of Germany was one partition in which Moscow appears to have lost more than it gained.

Why The President Is Lonely

It appears that what makes the presidency of the United States "the loneliest job in the world" is an absence of enough attention among some people and too much kindness among others.

This paradoxical conclusion is suggested by a veteran Washington correspondent, who says President Kennedy has voiced some mild regrets over his pre-oath decision to put his brother, Robert, in the cabinet in-

stead of at the head of the White House staff.

According to the reporter, the President's view is based on two aspects of his high position which he has discovered since he assumed it.

AS HIS ORDERS move down the chain of command into the vast Washington bureaucracy, they tend to become mislaid or even ignored by old timers who have witnessed the flow of orders from many presidents before and will witness orders from more presidents in the future.

Mr. Kennedy reportedly feels Bobby, bearing the President's name, would swing more weight than other members of the presidential staff in prying waylaid orders loose from the grip of inertia.

The other aspect of the White House office that bears on the issue is that its employees have a natural tendency to hold their boss in too much awe, thereby bestowing their unqualified assent upon his thoughts and actions. They are, in other words, too prone to be yes-men. Bobby Kennedy, being a brother, would not be so restrained.

PRESIDENT KENNEDY is not the first chief executive to be frustrated by this state of affairs. It is a hazard of the office.

President Eisenhower, for instance, kept both his brother, Milton, and his son, John, close to him throughout his eight years in office because he was aware of the need of some no-men. Beyond that, Milton was given occasional special assignments which Mr. Eisenhower wanted to be sure were carried out in a certain manner and referred back to him with information in which he could put complete trust.

It occasionally brought a charge of nepotism from some diehard political opponent, but most people were sympathetic. Everybody, including a president, needs somebody he can talk to without getting a runaround.

Once Over

By H. I. Phillips

Summer resort and summer amusement radio weather forecasts may be "rigged!" Newt Minow, FCC chief, is looking into claim by Guy Lombardo that he and others, whose outdoor attractions can be badly hurt by bad weekend forecasts, have suffered from prophecies so false they should be looked into.

It is unlikely that there is any weather "payola." But so many performers are staring as weather forecasters that vacation resort operators can suffer from an oversupply of prophets.

Once upon a time people just consulted newspapers for tomorrow's weather, or depended on locusts, dew on grass or a yellow sunset. Now weather forecasting is a big part of show biz. It even emphasizes sex interest.

Glamor gals have busted out all over, and they have different styles and different approaches to maps and forecasts. Each has an audience.

Some people insist they get better weather from a blonde "weatherette." Others carry an umbrella only if a brunette advises it.

Personally when a weekend trip is important we tune into a redhead's weather program. (But she has been wrong lately and we think it due to a different hairdo.)

People take these rain-or-shine chicks very seriously and man dependent for living on any summer enterprise can get thrown for a heavy financial loss if one of these babes is a poor map reader or tries to get so much sex into the commentary that she slips up in the weather.

It is possible millions of males are so fascinated by feminine beauty that they get the prediction wrong.

Mr. Lombardo thinks it is deeper than all this and that "interests" trying to keep customers in the city may plot with airwave prophets to dish out bad-weather predictions for summer weekends. It sounds "redic" but

Mr. Minow promises to look into the matter.

No rumors that any airwave weather forecaster runs a city indoor business helped by rainy weekend have been heard, or any hints that a weather program is sponsored by a corporation opposed to the sun tan oil industry.

(Take it easy on this inquiry, Mr. Minow. It will probably get you into hot water, increased humidity and in discovery your air conditioner ain't working.)

RUSSIAN WORKERS are asking for longer working hours. But how will they get time to turn out for all those parades and demonstrations? It's interesting, however, to picture a society in which we all denounce the shorter day and carry signs reading "WE DEMAND HARDER WORK." "DOWN WITH HOLIDAYS OFF" and perhaps "THROW THE CONSIDERATE BOSS OUT."

"Wagner Wants Opera Carried On." — headline. Robert or Richard?

We take it that the musicians who blitzed the opening of Met Opera refuse to work for a song.

"Let the U.S. sit down with us and talk reasonably," says Khrushchev. Reasonably means to accept any dictation Moscow decides to make.

Baseball leagues are reported about to make serious tests to determine if baseball is livelier than in Ruth's day, and, if so, to take "rabbit" out of it.

To the ramparts, baseball fans! Leave the ball alone. Home runs are home runs and the more the merrier, unless you are a pitcher.

Prober, prober, spare that ball.
Touch not a single thread!
I care not what it is today
So long as it ain't dead.

The Long, Hot Summer

Soviet Screening

By VICTOR RIESEL

Though deep in the heart of terror there was no terror in the hearts of West Berliners the Sunday night Major Titov's Vostok lashed over us in Berlin. The free people rejected the awe-some flying machine as a symbol of Soviet superiority, just as they and all the peoples of Europe have rejected Communist pie-in-the-sky political parties wherever there is a choice.

Here in Berlin, for example, the Communist Socialist Unity party is legal and it polls about 1.5 per cent of the free vote. Throughout Europe, Communist parties have lost a total of one million members in the past seven years, according to the latest intelligence count. And in the democratic parliaments of Europe, the Communist parties have lost well over a total of 100 seats.

Such a trend already is noticeable in Africa — wherever men have a free choice.

Having beaten us to the skies, the Soviet Central Committee is known to be concerned over its political losses right down here on earth.

And being the practical men they are, they're doing something about it. If we don't outdo them — and we are not — we'll lose in inner space as well.

THE SOVIETS have just put the finishing physical and propaganda touches on a big brainwashing mill in Moscow. They call it, with the subtlety of a bowl of borscht, the "Patrice Lumumba People's Friendship University."

When it swings into full operation, the Patrice Lumumba University will train some 4,000 Asian, African, South American and Cuban "students" each year.

The Soviet Council of Ministers has been told that these "graduates" will be political, social, government and labor experts.

They will be expected to become the backbone of slick Communist movements which can take over their nations from within — without firing a bullet but perhaps by burning ballots at the right time, or a few buildings wherever necessary.

After the first classes begin to "graduate" we'll be up against the toughest cadres the Soviets have yet put into action as political guerrillas.

Every one of the 4,000 will be carefully hand picked in his home country by special sections of USSR embassies abroad.

THAT'S JUST the first step. Each of the candidates selected by the diplomatic posts will be screened by a special commission of the Soviet Council of Ministers — really a propaganda unit of the Communist Party Central Committee. Only then will the selectees be permitted to become one of the "Four Thousand."

Patrice Lumumba University set up shop early last October in an isolated seven-story compound off a main street in Moscow. Its classrooms are but a few feet, or perhaps a story or two, from the dormitories and social halls and common dining rooms.

Literally, the Soviets do not

want their new cadres of intellectual helots to be contaminated by the outer world. The new trainees, especially those from Africa, will not be permitted any freedom of movement outside the seven-story "U."

This is a completely new effort to develop tens of thousands of men and women who will be mentally rigid operatives. They will not be allowed the chance to learn what the Soviet Union is really like.

SO COMPLETE will be this isolation that the trainees will be picked up in their home countries by Soviet agents. Special effort will be made to find men and women who come from such impoverished families that they never traveled outside their own villages or tribal grounds. They will then be rushed to Moscow and the seven-story compound.

The Soviets were forced to launch this new university in isolation — and abandon their earlier trainees — because the pre-Patrice Lumumba students had freedom of movement in Moscow, and became disillusioned.

There are documents to prove that the African students previously recruited — from 1956 to 1960 in the first training experiment

under Khrushchev — failed because the young Africans were outspokenly critical.

The Africans complained they were discriminated against. Young Russians beat them if they were found talking to other Russian students.

Groups of young Communist leaguers (Komsomolites) organized raiding parties and invaded the rooms of the African students. The Africans were hit, their rooms torn up.

FURTHERMORE, the foreign students were spied on, their mail was held up or destroyed. They found life in Moscow drab and unchanging — and in sharp conflict with classroom talk of freedom under socialism as opposed to totalitarianism under capitalism.

So the Russians washed out their old program and created their new university. In 10 years they'll have 40,000 Russian-speaking African, Asian and Latin American disciplined Communists who will know nothing except what "Big Brother" taught them to say and do when they return to their own lands.

And we, what are we doing to compete with this tough new political guerrilla force across the contested continents?

Short Of War

By DAVID LAWRENCE

Countermeasures Against Reds Urged

IN EUROPE "We will use any ruse, dodge, tricks, cunning, unlawful methods, concealment and veiling of the truth."

The foregoing sentence is written in the Communist party platform first proclaimed in 1919 by Lenin. This has never been withdrawn or revised. When Nikita Khrushchev recently restated the party platform and amended it in many particulars, he left standing the doctrine quoted above.

All communist acts, therefore, must be judged by that blunt formula of deception, whether it be the violation in Berlin this week of the four-power agreement signed in 1949 or of a disarmament "treaty" if one should be signed with the Soviets.

The Allies are building their hopes on a new agreement to be negotiated in the next few months to nail down their rights of access to West Berlin. But the Communist party doctrine indicates that the Soviets would not hesitate to disregard these pledges whenever they decide it is expedient to do so.

Indeed, Premier Khrushchev told the British ambassador only a few days ago, in discussing the existing Allied treaty rights in Berlin granted in 1945 and 1949, that these were "unreal and irrelevant."

This is not surprising, coming as it does from a government that has no regard for morals or for the sanctity of a written pledge but what are the Allies to do about it?

Up to now, the procedure has been to make speeches, carry on conferences between foreign ministers and ambassadors of the West, and discuss privately a series of countermeasures — military, political and economic.

While military preparations are important as a defensive precaution, neither side is likely to make a move in the direction of military action unless the other does — and it would have to be something more than a mere clash on a local basis to bring on anything so catastrophic as a nuclear war.

As for the political arena, this means an attempt through public statements and exchanges of notes to affect favorably the public opinion of the world, particularly in the so-called neutral countries where the Soviet Union has been making an intensive effort to win friends or to stir up trouble that would preoccupy Western forces.

WHAT ELSE can be done? The economic weapons of blockade now are being talked about openly.

Chancellor Adenauer of West Germany just said that trade

agreements between the East and West would have to be "re-examined." There are hints of a trade embargo. This naturally arouses anxiety in business circles, and already in London some authoritative British sources are saying that an economic embargo is not practical and would mean that Western exports would suffer.

But if bombs begin falling on millions of people, there will be suffering, too. Hence the world has to choose now between preventive policies of a drastic nature or a drifting policy that gives to the enemy an impression of irresolution and defeatism.

Back in the days of the Truman administration there was a word used widely to describe the then-existing American policy toward the Soviet Union. It was "containment."

It meant that the Allies would draw a line around the Communist bloc and isolate it from the rest of the world. The crisis never became sufficiently acute to make such a policy effective, and gradually the proponents of "exchange" — whether in the educational, cultural or commercial field — came to the fore.

THE SOVIETS, however, have been getting the better of the bargain. They have been giving up little by way of information themselves through the exchange programs, but they have infiltrated nearly every large country and many of the smaller ones by increasing the staffs of their own embassies or legations — in many cases with several hundred persons — who enjoy diplomatic immunity.

These "diplomats" are the clandestine link between the Kremlin and the small but influential group of agents and party members in the various countries who carry on the Moscow-directed intrigue, subversion and espionage.

They transmit the billions of rubles, converted into Western currencies, to finance the whole Communist apparatus.

The Soviet enterprises throughout the world would collapse if trade embargoes were applied and the whole system of converting Soviet money into other currencies were blocked off, so that the funds that flow to agents in Cuba or Mexico or South America or the Middle East or Southeast Asia or Africa were in large part stopped.

There are plenty of countermeasures "short of war" which the West can take. The situation in Berlin affords a real opportunity.

SINCE THE SOVIETS have ordered their puppet government in East Germany to seal off the borders, the Allies could close their borders, too. A non-intercourse program could be gradually extended to apply to the other satellite countries. Certainly uprisings internally would occur in the Communist-dominated areas.

Why should the West fear or timidly refrain from encouraging such outbreaks? Some failures will occur but this is the price that has to be paid in the long struggle against Soviet Tyranny.

Our Readers

Urges Charter Cooperation

It is with deep regret that I read in the Salem News of the apparent violent disagreement among the members of our Charter Commission.

I voted and urged all of my friends to vote for the Charter Commission and most of the members who were elected. My contention was that they possibly could come up with something better than our present system. If so, we could vote for it; if not vote against it.

Personally, I prefer the manager plan over the one proposed. However, I believe in the American way of doing things and if the charter they offer is better than what we have at present, I shall do my best to have my friends support it along with my vote.

I fully realize that there will be things in it that I would rather have omitted. But since our system of government is essentially one of compromise, I believe that we should support things that are for the good of most of the people. Let us stick to the American way and leave the Dictators for Russia.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: This is not a request for help but a plea to parents of small children to leave the little ones at home when they go shopping in the evening.

I'm sick of seeing toddlers pulled by the arms, scolded, slapped and spanked in department stores and supermarkets. It hurts me when I see a 5-year-old rubbing his eyes and whining — only because he is exhausted. And then the worn-out mother just about pulls his little arm out of the socket because he isn't "behaving properly."

I recently saw a mother who showed more compassion for her dog than for her 4-year-old son. When the dog cried she picked him up and petted him. When the boy pulled on her sleeve and whimpered, she gave him a crack on his head.

Please, Ann, tell these mothers that small children belong home in bed at night. I've told a few face to face but you could tell millions. —OBSERVER.

Dear Observer: I can add nothing to your sensible plea but my wholehearted endorsement.

Human Sponge

Dear Ann: My husband has been drinking from six to eight highballs every night for the past 15 years.

I've been working ever since we married. Last month I kept track of the money spent on liquor in this house (I don't drink and we seldom have company) and it amounts to my salary. I reasoned, then, that I could quit work if my husband

would stop drinking.

The problem is, I want our two children to have a decent place to live, good clothes and a few extras. If I quit my job, something has to give and I know what it will be.

The doctor told me three years ago I should not be working downtown and running a house, too. I'm tired and half sick most of the time. I want to quit work and stay home but my husband claims drinking is no problem and he refuses to give it up. What can I do? —M.V.A.

Dear M.V.A.: Anyone who has been drinking from six to eight highballs every night for 15 years is an alcoholic whether he knows it or not. An alcoholic is sick but unless he is willing to admit it you can be sure he will make no effort to straighten himself around.

Here are your alternatives: (1) Tell your husband either to go to AA or get out, in which case you risk depriving your children of a father, (2) quit work and become accustomed to a lower standard of living, (3) continue to work so you can provide your children with the extras and so your husband can continue to fog himself up every night and anesthetize himself against reality.

The Golden Touch

Dear Ann: I'll be brief and to the point. My fiancé's aunt has lots of money. She always has pampered him with trips and gifts because she had no children of her own and Ted is her favorite nephew.

This aunt doesn't like me because I'm not a college girl and

I don't have anything to brag about on the society page when our engagement is announced.

We've gone together three years and planned to marry in October. Now Ted tells me he needs time to think it over. He feels he owes his aunt "a lot" and that if he marries me he will break her heart and cut himself off from a nice inheritance.

How do I fight this? —HEART-SICK.

Dear Heartsick: With your hat. Grab it and run. A three-year romance that can be strangled with a money belt wasn't very healthy to begin with.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Salem News, enclosing a stamped, self-addressed envelope.

SALEM NEWS CIRCULATION COUNTED — An annual audit of The News' paid circulation was completed this week by P. E. Sullivan, field auditor for the Audit Bureau of Circulation in Chicago. Sullivan (L.) is shown checking figures in a News daily circulation record book with the assistance of Robert W. Conroy, News circulation manager. Sullivan's tabulations established The News' circulation for the period from July 1, 1960, through June 30, 1961, at 10,728—an all-time high for this publication.

Figure Determined by ABC Audit Salem News Circulation Of 10,728 At All-Time High

Circulation of the Salem News has reached an all-time high.

On an average day, six days a week, 10,728 families purchase and read The News. This is an increase of 108 over last year.

This fact was established in the annual audit of The News' paid circulation which was completed this week by P. E. Sullivan, field auditor for the Audit Bureau of Circulations in Chicago.

The total circulation was determined by checking mail subscription records and carrier and dealer payments for the period from July 1, 1960, through June 30, 1961.

Primary value of the annual audit is to national advertisers, explained Robert W. Conroy, News circulation manager.

The News subscribes to the ABC service to give its current and potential advertisers a true picture of the total audience the newspaper provides for its advertising message.

Sullivan's computations of The News' paid circulation for the last fiscal year will be rechecked in the ABC office in Chicago after which the final tabulations will be published in pamphlet form and will be made available to advertisers.

Under the ABC system there can be no padding of the newspaper's circulation figures. "Exaggerated claims are not permissible under the ABC system," Conroy remarked. "Only newspapers subscribing to the ABC audit can give advertisers the true picture of where their actual retail market is located."

Only those papers sold by subscription or individually through the newspaper honor racks or over the counter in The News office were tabulated in the audit, Sullivan stated. Extra copies of The News sold to customers are considered bulk sales and not counted as paid circulation.

Actually many more copies of The News are distributed and read daily than the audit reveals. This is due to the fact that some copies are obtained at less than the basic retail price, and there-

Ohio Collie Wins Year's Hero Medal

CHICAGO (AP)—Duke, 5, a collie, today sports a gold medal on his gold collar, symbolic of his selection as the most heroic dog of 1961.

The dog was selected from 54 canine candidates from 29 states for having helped save the life of his mistress, Penny Grantz, 10, March 15 by ripping a flaming skirt from the child.

Duke suffered severe burns on the mouth in the act. Penny, the daughter of Mr. and Mrs. John D. Grantz, Niles, Ohio, was treated for eight weeks for burns over 50 per cent of her body.

Physicians say the dog "almost certainly" saved the little girl's life.

In addition to his medal and collar, Duke was awarded a gold-plated leash, a dog blanket, a year's supply of dog food, and a \$1,000 U.S. bond in his owner's name.

Ceremonies befitting Duke's heroism marked the award presentation Wednesday.

Duke's heroic deed was performed last March 15 when Penny set fire to some papers in her family's back yard and her dress was set aflame.

Nearly hysterical, Penny began running and had gone only a few steps when Duke was at her side, barking and pawing at the flaming clothes. Forgetting his instinctive animal fear of fire, he ripped off the blazing skirt with his teeth.

His barking roused the child's father, who rushed outside, re-

moved the rest of Penny's clothes and took her to the hospital.

270 WORKERS STRIKE
DELPHOS, Ohio (AP)—A strike of about 270 workers began Wednesday at the Delphos plant of the Fruehauf Co. The stoppage came upon expiration of a three-year contract, and after negotiations that began several weeks ago collapsed.

The strikers, who belong to Allied Industrial Workers of America (AFL-CIO) Local 259, want retention of present benefits, cost-of-living adjustments and better treatment on seniority wages were not a cause of the walkout at the truck trailer component factory, union spokesmen said.

A RESUME OF AN interview with Mayor Dean Cranmer and Chief of Police Martin Lutsch, relative to the moral status of Salem, was given by Miss Pearl Walker when the Salem Woman's Christian Temperance Union met Tuesday afternoon at the home of Mrs. James Filler of E. 3rd St.

Miss Walker stated that according to the city officials, the liquor and gambling laws are being observed in the city. She reported that there are a total of 32 places where liquor is sold here. The speaker compared this number to the number of local churches which is 17.

The US Census Bureau reports a total of 193,000 bartenders in the U.S. compared to 167,000 ministers, Miss Walker continued. Statistics show that there are 976,938 liquor outlets in this country, compared to 309,449 churches, she added.

Mrs. Filler gave a devotional talk based on Isaiah 40:31, "but they that wait upon the Lord shall renew their strength; they shall run on wings as eagles; they shall not be weary; and they shall walk, and not faint."

Officers for the fiscal year 1961-62 were re-elected as follows: President, Miss Walker; vice president, Rev. Constance Gough; secretary, Mrs. Edith L. Dean; and treasurer, Mrs. Alvin Barton.

The annual county WCTU convention will be held Sept. 15 at the Free Methodist campground in East Liverpool.

The next regular meeting of the Salem Union will be Sept. 12.

THE AMVETS AUXILIARY will entertain their families at a covered supper Saturday at the home of Mr. and Mrs. Morrison Luce of 333 W. 9th St.

Plans for the supper were announced at the recent auxiliary meeting held at the home of Mrs. Alton Fields of E. 6th st.

It was reported that Mike Oana, Carl Sobotka and W. R. Smith will be delegates at the Amvet convention Aug. 24 to 27 at Louisville, Ky. Auxiliary members made flowers for the float which will appear at the convention.

Plans are being made for a benefit to be held in September. Mrs. Mike Oana was awarded the special prize.

Election of officers will be held at the Sept. 12 meeting at the home of Mrs. Robert Shoe of 1885

Fairview Court.

DESCENDANTS OF Joseph and Mary Holloway held a reunion Sunday at the Lloyd Holloway home near Leetonia. Approximately 80 members were present for the picnic dinner.

Those present were Mr. and Mrs. Dallas Holloway and children, Mrs. Juanita Swager and Bob Holloway and three grandchildren; Mrs. Zella Holloway and family, Twila Zimmerman, Ewing and Wayne Holloway and Verla Caldwell, 10 grandchildren, and nine great-grandchildren, Mr. and Mrs. Fred Hank of Alliance, Mr. and Mrs. C. L. Holloway and children, Thelma Murdock of Los Angeles, Calif., Walter Holloway of Columbus, Lloyd Holloway of Leetonia and Martha Gray of Las Vegas, Nev., seven grandchildren and two great-grandchildren; Mrs. Pearl Holloway and son, Lee, and four grandchildren.

EIGHTY-FIVE RELATIVES and friends enjoyed a steak and hamburger fry and casserole dinner Sunday at the home of Mrs. Jerd Oesch of Berlin Center. The event was a farewell for Mr. and Mrs. Douglas Van Nostran of Westville, who will leave soon for Guam where they will teach school. Mrs. VanNostran is the former Lucille Oesch.

Guests were present from Grafton, Burton, Warren, Salem, Washingtonville, Alliance, Damascus and Beloit.

The VanNostrans were presented a purse from the group, with Eugene Oesch making the presentation.

The time was spent in visiting, playing games and horseshoes. Mr. and Mrs. Eugene Oesch of Berlin Center and Mr. and Mrs. Victor Herold of Beloit were co-hosts for the affair.

MISS SHIRLEY RHODES, bride-elect of Warren (Skip) Browne, was feted at a surprise bridal shower Tuesday evening at the home of Mrs. Rolland Lower near Rogers. Members of the Joy and the Dorcas Classes of the Lake Mount Church of Christ near Rogers were among the 30 guests present.

Prizes were won by Mrs. Elizabeth Brush, Mrs. Frank Dutcher and Mrs. William Barnhouse.

Decorations were in keeping with a pink and green theme. Miss Mildred Wise assisted the hostess when refreshments were served.

Mrs. Dutcher presided at the punch bowl.

The couple will be married Aug. 26 in the First Presbyterian Church in Lisbon. The bride-to-be is the daughter of Mr. and Mrs. Wallace T. Rhodes of Rogers. Mr. Browne is the son of Mr. and Mrs. J. Homer Browne of Lisbon.

WOMEN'S ASSOCIATION of the Salem Golf Club met Tuesday in play for low net scores. In class A, Mrs. Stanley Gurney was first and there was a tie for second between Mrs. J. W. Greenwood and Mrs. Ed Pukalski, with low putts going to Mrs. Gurney.

Mrs. A. Konnerth was first in class B, with a tie for second between Mrs. Leonard Broomall and Mrs. Allan White and low putts going to Mrs. Homer Logue.

In Class C, Mrs. Richard Lawrence was first and Mrs. Lester Kille took second, with Mrs. Kille winner in low putts.

Mrs. Arthur Lind was first in the nine hole play and Mrs. Leon Colley, in low putts.

MILLVILLE COMMUNITY Club will sponsor a benefit card party Friday evening at 8 in the Community Hall. Proceeds will be used to redecorate the interior of the hall.

COTERIE CLUB members and their families enjoyed a picnic supper Monday evening at the home of Mr. and Mrs. Joseph Gologram of Depot Road. There were 26 in attendance.

Mrs. William Floding and Mrs. Gologram received gifts in honor of their birthday anniversaries.

THE DAWNETTES Card Club met recently at the home of Mrs. Cecil Thomas of Lisbon Road. Canasta was played, with the prize going to Mrs. Kenneth Sharrow of Franklin st.

The September meeting will be

held at the home of Mrs. William Bailey of Barclay St.

THE 48th BASINGER family reunion will be held Aug. 27 at 12:45 p.m. at Dogwood Park in North Canton.

Leonard Basinger of North Lima is president and Miss Wanda Cullar of RD 2, Columbiana is secretary.

THE SALEM BIRD Study Club will have a bird hike Sunday at 2 p.m. at Berlin Dam, with William C. Baker, leader.

Members are to meet where State Route 225 crosses the reservoir, north of Alliance.

THE HAWKINS FAMILY picnic will be held at 12:30 p.m. Sunday at Paul Dean's Camp for Boys, located three miles southeast of New Waterford.

Coffee and refreshments will be furnished. Guests are requested to bring their own food and table service. Swimming, boating and other amusements, including old time pictures, are planned.

Members of the picnic committee are Judge Luther Donbar of Columbiana, Harry Hawkins of Rogers and Lois Williams Merriam of New Waterford.

The attendance at this gathering may decide on the organization of a future reunion.

Darla Ann Watson Wed To William Lee Lyder

Miss Darla Ann Watson and William Lee Lyder pledged their marriage vows Friday evening in a double ring ceremony performed in the Clarkson Presbyterian Church.

Rev. Mark George of the East Fairfield Methodist Church was the officiating clergyman, assisted by Rev. William McIntire, pastor. Mrs. Jean Baker of Rogers presented a half-hour of nuptial music.

The bride is the daughter of Mr. and Mrs. Raymond H. Watson of Clarkson. Mr. and Mrs. L. T. Lyder of Signal are the parents of the bridegroom.

Mrs. Barbara Moore of Rogers sang "I Love You Truly," "O Promise Me" and "The Lord's Prayer."

The bride was given in marriage by her father. She was attired in a ballerina-length gown of nylon lace over taffeta, fashioned with a scalloped bateau neckline, short sleeves and a bouffant skirt. Her nylon net veil fell from a rhinestone tiara. Her flowers were white lilies and stephanotis.

Mrs. Myrna Dyke of Clarkson was matron of honor for her sister. She chose a green chiffon dress with a lace jacket. Appearing in identical gowns only in pink, were the bridesmaids, Mrs. Ramona Marks of Cambridge and April Watson of Clarkson, sisters of the bride. They carried bouquets of carnations tinted to match their gowns.

Lorie Moore of Rogers was the

flower girl, and Rickey Moore of Rogers was the ring bearer.

James Pike of Rogers was Mr. Lyder's best man. Glenn Baker of Rogers and Richard Abrams of Columbiana were ushers.

The bride's mother chose a green and white dress and a white carnation corsage, while the bridegroom's mother wore a pink dress and a corsage of pink carnations.

The reception followed in the Fellowship Hall of the church. A three-tiered wedding cake centered the bride's table. Misses Maxine Davis, Ruth Carlisle and Linda Whitace of Rogers served, with Miss Judy Stern of East Liverpool in charge of the guest book.

The bride is a graduate of Beaver Local High School, and is employed by the Firestone Bank in Lisbon. A student at Youngstown University, the bridegroom is employed by the Youngstown UMCA.

For her wedding trip to Lake Erie, the bride wore a white suit with tan accessories. The couple will reside in an apartment at the bridegroom's home. Mr. and Mrs. Lyder were hosts at the rehearsal party Thursday evening at their home.

Schedule Set for Opening Of Beaver Local Schools

Classes will begin in the Beaver Local School System Sept. 6 with a full-day schedule.

Teachers will meet at the Beaver Local High School at 9 a.m. Sept. 5 for a general staff meeting, school officials announced today.

Rogers, Elkton, West Point and Calcutta Schools will start at 8:30 a.m. and leave out at 2:30 p.m. The high school will be in session from 8:30 a.m. to 3:30 p.m., and Beaver Local Elementary School, 8:45 a.m. to 3:30 p.m.

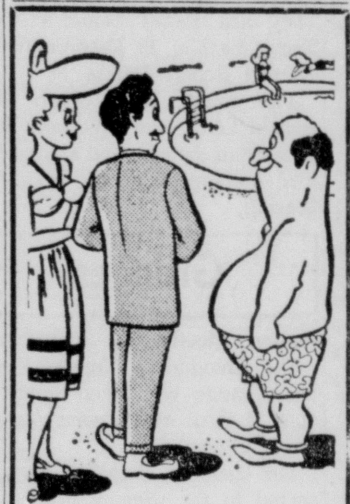

A total of 2,300 pupils are expected to be enrolled in the school district this coming year. Bus routes and time schedules will be similar to last year's. A few necessary changes will be made and persons involved will be notified when school opens.

The school year will start on Daylight Saving Time but will change over to standard time in the latter part of September. All pupils must have completed their immunization shots before they can enter the school system.

First grade pupils must be six-years old on or before Oct. 1 to start school. All pupils should register prior to Sept. 6. High

school and Beaver Local students may register any day between 8 a.m. and 3:30 p.m., Monday through Friday. Calcutta, West Point, Rogers and Elkton pupils can register the week of Aug. 28 by calling or going to Calcutta or West Point Schools.

Cafeterias will be open to serve noon lunches at all schools on opening day. Prices will be the same as last year, 30 cents for pupils and 35 cents for adults. Extra milk will be available in all schools as last year.

Deaths, Funerals

Alfred E. Kloetzly

Alfred E. Kloetzly of Cunningham Road, RD 3, Salem, died suddenly of a cerebral hemorrhage Tuesday evening in Eustis, Fla. where he was vacationing. Arrangements are pending at the Arbaugh-Pearce Funeral Home.

Whitehead Funeral

EAST PALESTINE — Services for Wayne Whitehead, 45, of State Line Road, RD 1, East Palestine, who died at 8:45 a.m. Wednesday at the Veterans Administration Hospital in Pittsburgh, will be held at 1:30 p.m. Saturday at the Oliver Funeral Home here.

The Rev. Daniel J. Davis, pastor of the Church of Christ, will conduct the services. Burial will be in Glenview Cemetery. Calling hours will be from 7 to 9 p.m. Friday.

Mr. Whitehead was a former employee of the W. S. George Pottery Co. here. He served in World War II and received the Purple Heart.

Charter

(Continued from Page One)

ing forth such excuse and entered on the journal."

The only item discussed last night on which there was considerable disagreement dealt with whether or not Council members should be paid.

James Aldom raised the question. He said that he believes the \$600 paid each Council member annually and the \$720 which is received by the Council president is "entirely inadequate" for the work it requires and Aldom suggested that the salaries be dropped entirely or raised to make them worth-while.

It was Aldom's recommendation that the salaries be dropped entirely. He said he doesn't believe anybody runs for a Council seat because of the salary it pays.

Ford Joseph pointed out that the city could save \$4,920 per year if councilmen and the council president serve without pay.

Fred Koenreich, a veteran member of City Council, remarked that he doesn't consider as salary the \$600 a councilman receives in a year. He said he looks at it more as a travel expense money for the many times councilmen are called out by persons to check various problems.

All Commission members who spoke on this issue agreed that the \$600 per year a councilman receives no where near compensates him for actual time spent on the job.

Kendall suggested that instead of dropping pay to councilmen entirely, it might be better to give them a token fee (\$1 was suggested). His reasoning is that if a councilman is paid something, even if it is a token fee, he is more likely to feel an obligation to do a good job than if he volunteers his services without any compensation.

An informal vote was taken on whether or not to place the following sentence in the charter:

"The annual salary of councilmen shall be \$600 and the annual salary of the president of Council shall be \$720, in equal monthly installments until changed by ordinances, but shall not be increased during the current term of councilmen enacting such ordinance."

The amendment passed by a vote of 6-5 with Chairman Caplan breaking a tie. Caplan pointed out that this section of the charter will be brought up again later. Four of the 15 Commission members were absent from last night's meeting. They were Carl Abe, Norman Eckfeld, Guy Mauro and Michael Schuller.

are serving what they thought would be six-month active-duty tours will be liable for up to one year of additional duty. ROTC officers not now on duty face up to two years of active service.

Beginning Oct. 1, overseas duty will be longer, extended six months for those stationed in Japan and Germany, three months for Korea.

The draft will continue high—25,000 men in the September quota, at least 20,000 in October. This is in addition to volunteers for first enlistment.

From these various sources—holding men in service, encouraging others to remain voluntarily, more volunteers, draft, possible call-ups of units and individuals in reserve—the Army aims at attaining its authorized strength by next summer. Its manpower as of now totals about 858,000.

Two Youths Fined For Petit Larceny

Two 18-year-old Salem boys were each fined \$50 and costs and given 30-day suspended jail sentences after pleading guilty this morning before Mayor Dean B. Cranmer to petit larceny.

The boys, David R. McElfresh of 201 E. 2nd St. and Clarence K. Gorman of 179 W. 4th St., were picked up at 12:55 a.m. today by Ptl. Donald D. Bradley as they came out of a garage at the residence of Daniel Boehm, 241 N. Union Ave.

Bradley said the boys were carrying a five-gallon can and a short piece of hose. He said the side of the can was set with gasoline. Bradley reported that the boys admitted to him that they had taken the gasoline out of Boehm's car.

Their suspended jail sentence was given on condition of the boys' good behavior until Jan. 1, 1962. Both were placed under curfew by Mayor Cranmer.

Others fined in mayor's court over the past 24-hour period were:

Emil Webber, Jr., 20, of 608 Woodland, loud mufflers, \$10 and costs; William Mullins, 29, of Shadyside, overload, \$70 and costs; John Nichols, 40, of Radcliff, overload, \$59 and costs; and Richard Davison, 30, of Girard, overload, \$25.

north on Turner Rd. at an excessive rate of speed and failed to negotiate a right turn. The car ran off the left side of the road and struck a tree. It then spun around, rolled over and crashed into a concrete pillar before rolling over again onto its wheels.

Two Salsville women were treated by a physician for whip-lash injuries to the neck following a two-car crash on Rt. 39, a mile and a half northwest of Salsville at 1:40 p.m. Wednesday.

Injured were Sharon Kay Cole, 19, the driver, and her passenger, Judy Newhouse, 21.

The patrol said the women had stopped for a stop sign when their car was struck from the rear by another auto operated by Prescott J. Johnson, 34, of Massillon. Johnson was cited for failure to stop in an assured clear distance.

A Salem man and an Alliance woman were treated for minor injuries and released from the Central Clinic following an accident on Rt. 14 alternate, about two miles northwest of Salem at 6:55 p.m. Wednesday.

Nicholas E. Goddard, 63, of 642 W. Wilson St., suffered contusions of the head and left shoulder, and Maggie Hairston, 51, of Alliance, received contusions of the right shoulder.

Mrs. Hairston was a passenger in a car driven by James A. Hairston, 25, of Alliance. The patrol said the cars collided while Goddard was attempting to make a left turn and Hairston was in the act of passing him.

No one was injured when a trailer pulled loose from a car and struck an auto on Rt. 62, of Westville, at 10:30 a.m. Wednesday about two and a half miles west of Salem.

Walter W. Stewart, 37, of Ironton, was cited for having an improper hitch. His 2-wheel trailer, hitched to a house trailer which in turn was being towed by a car, broke loose and went into the path of an auto driven by Harry S. Robertson, 65, of Columbus who was coming from the opposite direction.

had been allowed to witness an F1 firing.

The F1 is being developed by the National Aeronautics and Space Administration for the Nova moon vehicle. Eight F1s, developing 12 million pounds of thrust, are to be clustered as the first stage of a 400-foot-tall rocket which is expected to boost a three-man Apollo space craft to the moon by 1967.

Ballot Bid Rejected By Election Board

The Columbiana County Election Board today issued a new call for bids to print ballots for the November election after rejecting the lone proposal it had received from the Dodge Publishing Co., of Salem.

Frank R. O'Hanlon, clerk, said printers have been advised that bids will be received until 1 p.m. Tuesday, and the board may award a contract that night.

The Salem Firm's bid was rejected in the hope of obtaining a better price O'Hanlon said. Dodge had asked \$10,226 in submitting the lone offer to print the regular ballots and those used for questions and special issues.

Meanwhile, the board has received the official form for the ballots from Secretary of State Ted Brown.

Berlin

(Continued from Page One)

Sunday's ban on the flight of refugees to West Berlin was "a victory for peace and socialism." The appeal said "panic and confusion reign among our enemies," and "now it is necessary to secure our success and win new victories over the warmongers."

The Communist youth daily Junge Welt—Young World—carried the appeal in headlines: "The Fatherland calls! Protect the Socialist Republic."

The East German Communist regime so far has not required compulsory military service. But young men often are put under pressure to enlist with the promise that it will help their chances for later education and advancement.

The U.S., British and French embassies in Moscow handed the Soviet Foreign Ministry notes charging that the barricade violate the postwar four-power status of Berlin and the four-power agreement for free movement throughout the former German capital.

The U.S., British and French commandants in West Berlin presented similar protests Tuesday to Col. Andrei I. Solov'yev, the Soviet commandant. Solov'yev gave no immediate reply.

The Soviet commandant had, however, rejected Wednesday a protest entered by the Western officers about two weeks ago against harassment of refugees then streaming to West Berlin at the rate of several thousand a day.

The East German Communist party paper Neues Deutschland repeated the contention that the four-power status of Berlin—established in war and postwar agreements—"has long ceased to exist."

At least five members of the East German People's Police bolted through the steel ring around East Berlin during the night and took haven in the Western part of the city, West Berlin police reported.

The five made separate dashes into Western territory and asked for asylum, a spokesman said.

Unofficial reports in West Berlin newspapers indicated the total might be higher. The uniformed defectors from communism were among the thousands of police, troops and militiamen jammed around West Berlin to prevent the escape of refugees. Instead of stopping others, they chose to flee themselves.

A soldier of the East German army and a member of a factory militia unit, both in uniform, Tuesday dashed through the barbed wire cutting East Berlin off from the west.

Mayor Willy Brandt sought Western approval to seize the Communist-run elevated railway in West Berlin despite another Red threat to blockade the city in retaliation.

The fiery mayor was to press his plan for "action more than words" at a meeting with the Western Big Three commandants, who must approve any take-over since Berlin is still an occupied city.

by firemen to keep it from getting scorched.

Fireman stayed on the scene until 5 a.m. The one-story frame building and all the contents were destroyed.

Williams couldn't explain how the fire started. He said everything was normal when he closed up last night. The owner said he carried some insurance.

LICENSE PLATE STOLEN

Mrs. H. A. Gager, 462 E. School St., reported to police that someone took the front license plate off her car while it was parked on the street near her home Wednesday night. The license number is L 1999 N.

Lisbon People Aided By Kansas Town

A Lisbon family continued on its way to California today through the sympathetic efforts of a Kansas town which came to their aid after their car was wrecked in an accident Saturday.

The area people, Mr. and Mrs. Art Richards, children Debbie, 4, and Art, 2, were left stranded after the accident at Larned, Kan., which injured the Lisbon couple and Mrs. Clarence Ipson, Richards' grandmother.

The Lisbon people were taking Mrs. Ipson back to her home in Kansas after a visit in this area when the accident occurred. Richards, 28, sustained abrasions of the head; his wife, Donna, bruises of the arm, and Mrs. Ipson, fractures of the ribs.

Contributions of Larned residents—including a sizable sum from an anonymous donor—enabled the Lisbon family to buy another car and proceed on its way.

The family resides on a farm about two and a half miles west of Lisbon. Richards plans to seek work in a sugar refractory in California.

thousands of patriotic Cubans who are still waiting and struggling for the freedom of their country."

The chief of the U.S. delegation said the United States had extended the hand of friendship to the Cuban revolution but Prime Minister Fidel Castro spurned it.

The alliance plan provides for financial aid and self-help over the next 10 years to improve the lot of Latin America's 200 million citizens and reduce the region's glaring gap between poverty and wealth.

Of the \$20 billion in foreign aid that is promised Latin America, more than half will come from the United States. The United States is also pledged to take the lead in soliciting the balance from its allies, as well as investments from private sources.

Chemist

professor of chemistry at the University of Ottawa, said he had glanced over some of Klotchko's published work and on the basis of these doubted his defection would be of strategic importance to Canada.

The published work was largely concerned with electrical properties and a study of electrodes, Westland said.

U.S. scientists said chemistry is not one of the stronger sciences in the Soviet Union and is given a back-seat financial status to such others as space research, mathematics, physics and astronomy. There was some speculation the Klotchko was dissatisfied with conditions of his work.

Klotchko's most recent post was reported to be head of a chemical laboratory in Moscow.

53 Attend Annual Dinner of Realtors

LISBON — Fifty-three persons attended the Columbiana County Board of Realtors annual steak fry Wednesday afternoon and evening at the Valley Golf Club, southwest of Columbiana.

Golf was the diversion in the afternoon followed by the dinner and meeting.

President Al Reinman of the Ohio Association of Real Estate Board spoke on the Ohio Association's convention in Dayton in September.

Present were 16 members and guests of the East Liverpool Board of Realtors and 21 members and guests of the Columbiana County Board.

Friends

(Continued from Page One)

Bailey of Damascus. Rev. Bailey is a former pastor of Salem First Friends Church.

Rev. Edwin L. Mosher is remaining with the Orange Friends Church, Westerville. He is the son of Rev. and Mrs. Robert E. Mosher. Rev. Mosher, a former pastor of Salem First Friends Church, is being transferred from Springfield to the First Friends Church, Cleveland.

There are two changes in the Quarterly Meeting. Rev. Edgar Phelps, pastor of the Winona Church for four years, will go to Draper, N.C. He will be succeeded by Rev. William Atchison of Quaker Hill, south of Sebring.

Rev. William Walz is the new pastor at Quaker Hill. He comes here from Zanesville.

Rev. George Bigley, formerly of Girard, who has been attending the George Fox College, at Portland, Ore., has accepted a call to the Mt. Pleasant Friends Church. Rev. Bigley and wife, the former Gayle Mellinger of Salem, are visiting at the home of her father, Chester Mellinger at Winona. The Bigleys are now members of Salem First Friends.

Fund Transfers Are Approved by Leetonia Council

LEETONIA — Transferring of funds was the main business transacted when Village Council met Wednesday night.

Council approved the following transfers from the general fund: \$3,000 to the street fund, \$1,000 to the cemetery fund and \$132 to the flood control bond fund for interest.

Council unanimously approved a resolution in favor of the organization of a county planning commission, to be established by the county commissioners.

The third and final reading of the gas rate ordinance was passed by Council.

Clerk M. P. Burick reported the following receipts: Liquor permits, \$200; sales tax, \$589; parking meter revenue, \$99; and intangible tax, \$5,417.

Mayor Ralph Kennedy presided, with Councilmen Dale McCormick, Dan Cullinan, Chester Whitacre, Orin Deffenbaugh, Joseph Weikart and Elby Morris, and Street Commissioner Richard Kleinknecht an Solicitor Edward Greenamyer present.

Leetonia

The F.O.E. Auxiliary met Monday evening in the Eagles Hall. Mrs. Helen McClish and Mrs. Hazel McClish won prizes.

Refreshments were served by Mrs. Mary Perry and Mrs. Ruth Hanna. The next meeting will be held Aug. 28.

Miss Penny Lou Cross has returned to her home from South Side Hospital, Youngstown, where she underwent knee surgery.

The Past Noble Grand Club of D. Wallace Rebekah Lodge will meet at the home of Mrs. Royce Briggs Monday evening.

The 31st Mobile Support Unit will meet Monday at Leach's orchard. A corn and weiner roast is planned. Those attending are to bring wieners and corn. In case of rain the meeting will be held in the Rebekah Hall.

Mr. and Mrs. Pat Mancuso of Cincinnati have returned home after spending a week with her parents, Mr. and Mrs. Royce Briggs, and other relatives here. While here Mancuso attended the football clinic in Canton.

Royce Briggs of Somerset St. fractured his left arm Tuesday while working on a TV antenna at his home.

Hearing for Alliance Men Is Postponed

The hearing scheduled here Wednesday in Northwest County Court for six Alliance men charged with creating a disturbance, using profane language and committing assault on Paul Wait, manager of the Park Drive-In Theater on Rt. 62, west of Salem, on July 27, was postponed for the second time.

Judge Luther Donbar set the new hearing date as Aug. 31 at 1 p.m.

The latest postponement was requested by John E. Bauknecht, attorney for the defense.

Four of the men pleaded not guilty to the charges in a hearing before Judge Donbar on July 31. They are Henry Cananici, 19, James Fachini, 19, Mike Cantwell, 20, and Robert James, 19.

Two others, Lewis Myers and Ronald Long, also have been implicated in the case and are scheduled to appear at the Aug. 31 hearing.

Granges

Pomona Meeting Set

The Columbiana County Pomona Grange will meet Saturday at 8:30 p.m. at Pleasant Valley Grange.

The traveling clock will be presented to the winning grange.

The county home economics committee will hold its county contest at this time.

High School Band To Begin Rehearsals

The Salem Senior High School marching band will begin rehearsals Monday at 9 a.m. at the school, with Richard Howenstine, director in charge. Uniforms will be distributed at that time.

Group pictures are scheduled to be taken Wednesday.

TO HOLD REUNION

The 1958 graduating class of Goshen High School will hold a reunion Friday evening at the Sevakien Country Club. A coverdinner supper is planned for 6 p.m. at the pavilion.

A business meeting and swimming are scheduled following supper.

Four From Salem To Be Delegates To Friends Session

Ed F. Stratton, Clifford E. Stanley and Mr. and Mrs. Leland W. Holloway will represent Salem Monthly Meeting of Friends (E. Sixth St.) at the annual Ohio Yearly Meeting of Conservative Friends Aug. 25-30 at Barnesville, headquarters of this branch of Friends.

Nine monthly meetings comprise this Yearly Meeting, one at Fair Hope, Ala., and the others in Ohio. Visitors also come from Iowa, Pennsylvania and North Carolina.

These meetings still retain the traditional silent form of worship, having no planned program and no paid ministers. However they do have recorded ministers who speak in the services as they are guided by the Holy Spirit. Recorded ministers in this area are: Charles Morlan of Damascus; Rebecca Price of Winona; and Lavina Edgerton of Middleton.

Practically all the meetings have what is designated as a Bible Class, which is conducted along the same line as a Sunday School.

While this Yearly Meeting has no evangelistic program, its members work with the American Friends Service Committee, know for its activities in foreign countries.

The women of Salem and Winona Meetings get together one day a month to sew for a Algerian Refugee Relief project. Sometimes they make as high as 30 garments a month for this project. Last Christmas the group had a "yarn tree" made of balls of yarn. These balls were sent to Algeria refugee boys, who knit their own caps.

The Friends Boarding School at Barnesville is on a high school level. The Walton Home of the Aged is also located there.

While many Conservative Friends have discarded the Quaker garb for modern clothes, there are others who cling to plain dress. Some of the men still observe the traditional Jewish custom of wearing a large hat in meetings, while women wear the traditional bonnets.

The Doctor Says

By DR. H. T. HYMAN

Bouquets And Brickbats From Readers

"You have certainly caused a lot of dissension in our household by your statement that candy isn't harmful for the child with acne. I had just about gotten my teen-agers in pretty good shape when one of their big-mouth mothers quoted you as a so-called 'authority.' Now my youngsters are back on candy and more pimply than ever."

Dr. H. T. Hyman

Sorry, dear mother. I don't doubt your estimate of your children's complexion. But why blame candy? And why blame me? You must know that it's characteristic of acne that it has its ups and its downs.

And since I issued my "authoritative reports," Drs. Cornbleet and Gigli, both specialists in dermatology, have tested the effects of sugar on the acne form eruption.

Fifteen youngsters with acne were permitted all the sugar they wanted to eat. Fifteen were put on a sugar-restricted diet. At the end of the observation period, "there was no difference in the results."

"I have multiple sclerosis and got my doctor to prescribe tolbutamide for me as you suggested. It's been an expensive suggestion. And I'm no better."

Don't you think you should be more certain of a drug effect before recommending it to your readers?"

You have a point here, my friend. For, since the preliminary report of beneficial effects, controlled studies on a larger series of patients have failed to confirm the hopes and observations of the original investigator.

Nevertheless, I shall continue to provide advance notice for my readers whenever I come across what I consider helpful information from a reliable and honest source.

This does not include, I hasten to add, press releases from publicity departments of interested manufacturers.

"Why do you continue harping on the effects of permanents, hair dyes and the like on women who just happen to be losing their hair? Are you trying to ruin the beauty parlor business? Or do you favor women with stringy hair-colored hair falling over their faces and down their backs?"

I assure you, dear lady, I have no personal axe to grind. As a matter of fact, I made no mention of what a team of writers in the Journal of the Medical Society of New Jersey call "traumatic alopecia" (baldness due to injury), a condition that seems to be increasing as a "result of over-manipulation by hair stylists."

In the experience of Drs. Bleiberg and Wortzel, the hair can stand only a "certain amount of traction and mechanical trauma (injury) from brushing." When that amount is exceeded the alarmed victim usually rushes to her beauty parlor where she is treated with hot oil treatments, shampoos and more manipulation. As a result, the injury is compounded.

In the opinion of the writers, at the first sign of hair thinning treatment should be restricted to simple combing and just sufficient washing to control the oiliness of the scalp and to remove dirt.

Since there is no substance that "feeds the scalp" and/or the hair roots, washing is best done with whatever hand soap or sudless detergent is used ordinarily in the household.

Reds Back In First Place After Beating Dodgers Twice

By CHARLES MAHER Associated Press Sports Writer LOS ANGELES (AP) — Jim O'Toole wasn't even born yet and Bob Purkey was just about old enough to sleep without his teddy bear the last time anyone did what they have just done to the Dodgers.

Los Angeles Blanked 8-0, 6-0

The Cincinnati Reds not only swept the doubleheader, 6-0 and 8-0, but knocked Los Angeles into second place and took over the league lead themselves by a full game.

The Reds, meanwhile, got to loser Larry Sherry (4-3) for six runs in the first two innings. Fran Robinson drove in two of them with his 34th homer.

second game and drove in four runs. The Reds got five of their second 8 game runs off Johnny Podres and dealt him his fourth loss in 19 decisions.

Cincinnati Manager Fred Hutchinson, who usually wears an expression grave enough to make the sphinx look giddy by comparison, even smiled when it was over. He was gratified but restrained.

While the Reds were sinning in the showers, the Dodgers managed to scrub and dress themselves without making enough noise to offend a librarian.

There's no two ways about it," said Dodger Manager Walt Alston. "They out hit us, outfielded us, outplayed us. They just kicked the hell out of us."

'Hot' Roger Blasts Two Homers; Yanks Win, Tigers Lose Ground

By ED WILKS Associated Press Sports Writer When Wahoo Sam Crawford won the American League home-run title in 1908, he did it with a total of seven. And among the other dead ball champs, Nap Lajoie became the AL's first home run king in 1901 with 13.

record-busting 13. That averages out to one every 2.8 games. As for the almost forgotten pennant race, New York moved three games ahead of second-place Detroit when the Tigers lost 8-2 to Baltimore. Cleveland defeated Boston 6-4, Washington beat Los Angeles 3-2, and Kansas City thumped Minnesota 12-7.

In the National League, Cincinnati shot past Los Angeles into a one-game lead by sweeping a two-night pair from the Dodgers 6-0 and 8-0. San Francisco defeated St. Louis 4-3, Milwaukee got past Pittsburgh 2-1, and the Chicago Cubs handed the Philadelphia Phillies their 19th consecutive loss, 9-5, tying the modern NL record.

Roger 15 Games Ahead With his pair of two-run shots off southpaw Billy Pierce as the New York Yankees defeated the Chicago White Sox 5-4 Wednesday on the 13th anniversary of Ruth's death, Maris now has hit 48 and has moved 15 games ahead of the Babe's record pace.

Yanks Win On Hit Batter Despite Maris' slugging, it was by a hit batter with the bases loaded in the ninth that the Yankees beat the White Sox. After Jim Landis' second home run had tied it for the Sox in the sixth, the winning run was forced home when Warren Hacker plunked Bob Cerv on the hand with a pitch. That gave the victory to Ralph Terry (9-1) and beat Turk Lown (6-5), both working in relief.

Jackie Brandt, Brooks Robinson and Jim Gentile backed Milt Pappas (9-6) with home runs as the young Baltimore right-hander stopped the Tigers on two hits. All three homers were off Jim

Mexicans Could Beat U.S. Davis Cup Team

CLEVELAND, Ohio (AP)—The same Mexican tennis team that almost upset the American Davis Cup squad last year is given a good chance to win the American zone finals, which start Friday.

Observers watching the Mexican players practice here since Tuesday say they appear to have a fine edge. But they quickly point out the American team, slightly erratic earlier in the week, is much sharper now.

Star sports editor Ernest Mehl said there are rumors that Finley has made some contacts in Dallas. The report was discounted in Kansas City and Dallas.

CLEVELAND (AP)—Cleveland's Tito Francona is in a brief hitting slump with only one hit in his last 15 times at bat, but that hit couldn't have come at a better time.

Besides the strikeouts, he dropped a fly ball in the ninth by Chuck Schilling, who scampered to second. Gary Geiger followed with an infield hit. But Perry got Carl Yastrzemski to bounce out to Bubba Phillips for the final out.

Perry Settles Down Jim Perry had enough time for three innings, but he settled down, giving up just two hits the rest of the way to win his ninth game against 10 losses.

Wynn Hawkins (6-8) is the choice to hurl for the Indians in the rubber game of the three game series. He'll face Ike Delock (6-7).

John Romano added the Indians' cause with a solo homer in the sixth, his 16th, to tie his own record for most homers in a season by a Cleveland catcher.

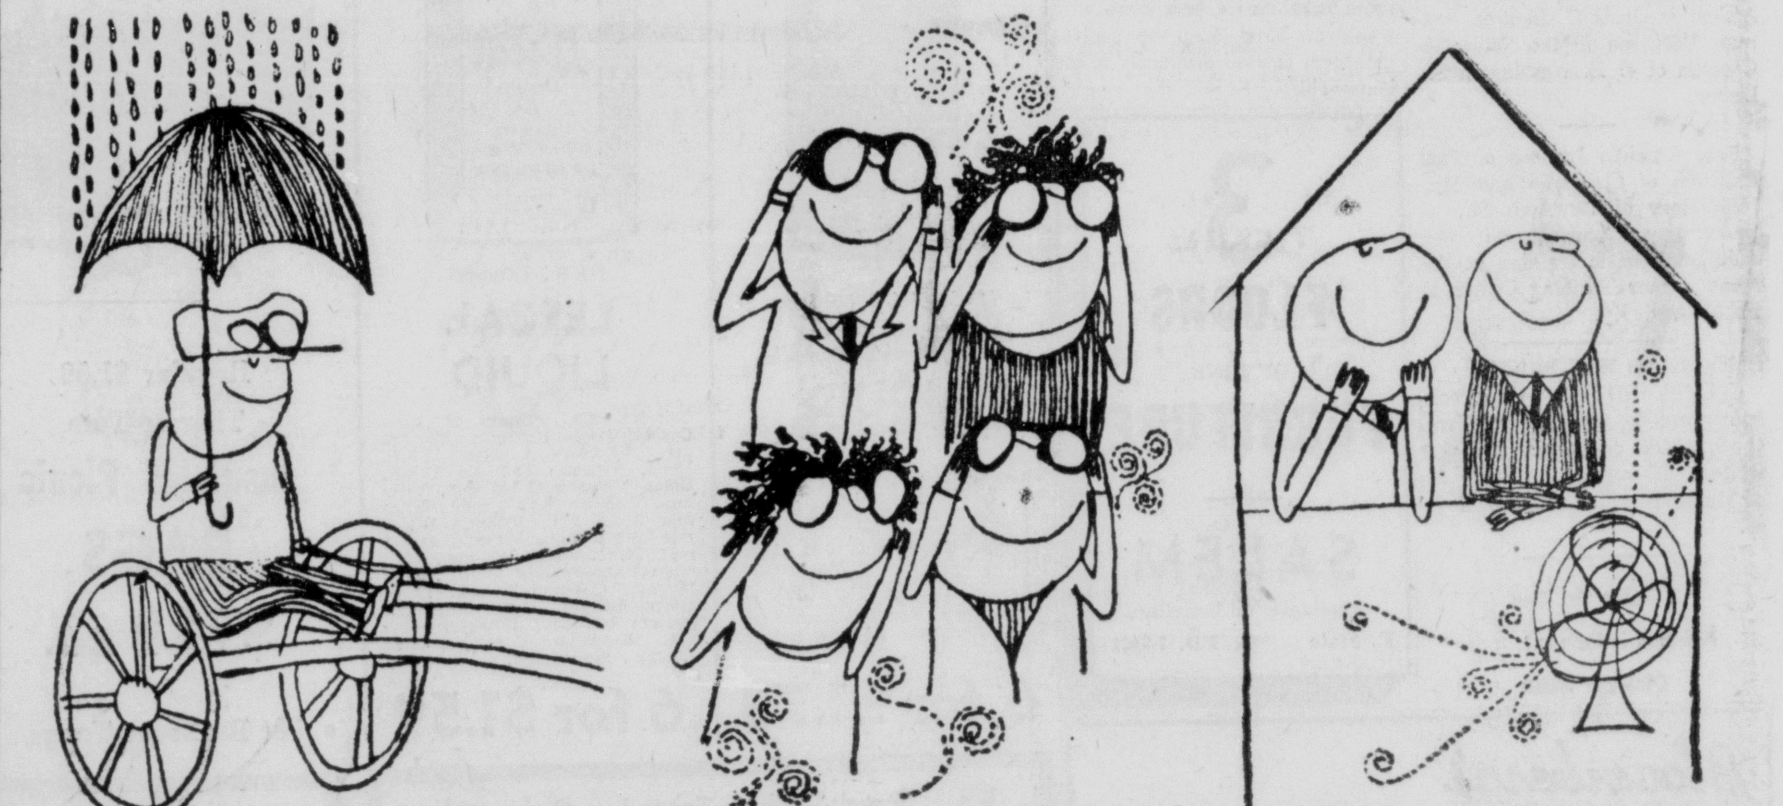

Home run—Cleveland, Romano (16).

The Indians got only five hits off Tracy Stallard and Mike Fornieles, who also whiffed 12 batters. It was a season high for the Indians this year. Jim Piersall bore the brunt of it, striking out four times.

Has Best Chance Ever to Break Ruth's Record

Angry Roger Maris Tiring From Many Questions, Wants Pennant

By JOE REICHLER
Associated Press Sports Writer

NEW YORK (AP) — Roger Maris is known as "the angry man." Even his own teammates among the New York Yankees refer to him, on occasions, as "the red-necked Roger."

Has Best Chance

The man who today has the best chance of anybody in baseball history to shatter Babe Ruth's most fantastic of all home-run records—60 in one season—admits he is not the easiest person in the world to get along with.

"I was born surly," he says through thin lips that always seem to be snarling, "and I'm going to stay that way."

"Everything is tough in life," Maris, 26, adds.

A reticent man by nature, Maris has found it extremely difficult to cope with this comparatively sudden fame that has stemmed from his dramatic battle with teammate Mickey Mantle in their twin assault on Ruth's 1927 record. A lover of solitude, Roger finds the almost daily questioning by reporters, radio and TV commentators extremely trying.

"You fellows are tougher than some of those pitchers," he once said testily. "Where do you think up these silly questions? How the heck do I know whether I'll break Babe Ruth's record? Besides, you're the only guys thinking about it. I don't. All I'm inter-

ested in is having a good season and winning the pennant.

Rather Have Money Than Reward

"I'd rather have the dough than the record. And if I have a real good season, I'm going to ask for real dough next year, too."

For the record, Maris' 1961 salary is \$32,500. Next year, it is expected, he will demand around \$75,000, Mantle's estimated earnings this year.

Maris currently is three homers ahead of Mantle. He slammed two Wednesday to boost his total to 48 in 119 Yankee games, including a tie. That puts him 15 games ahead of Ruth's 1927 pace. Maris has 36 games left in which to top Ruth's mark for 154 games. Roger will have the advantage, however, of eight more contests because of the expansion of the American League schedule to 162 games.

In general, the public would

not like to see Ruth's record broken. Most people, however, feel that if someone must break it, the fellow most entitled is Mantle because of his greater stature as a slugger and home run hitter. Maris, however, is no Johnny come lately as a home run producer. He slammed 39 last year, to finish second to Mantle's 40. In three previous years, with Cleveland and Kansas City, he walloped 14, 28 and 16.

Salem, Columbiana Vie In Swim Meet Tonight

Salem tankers will perform in their last swimming meet of the year when they clash with Columbiana tonight at 8:30 p.m. at the Centennial Park Pool.

Sixteen swimming and diving events are scheduled with action in both boys and girls competition. There will be plenty of seating available and no admission will be charged as the Salem team tries to avenge an earlier setback at Columbiana.

Jr. Baseball Mothers Meet At Legion Hall

The Mothers Auxiliary of the Salem Junior Baseball Association will meet at the American Legion hall Aug. 24 at 7:30 p.m. All mothers are urged to attend and reminded to bring the money and tickets for the special benefit event to take place at the All-Star game.

B & W, Lincoln, Stamping Triumph

Post Office Captures First Win In Slo-Pitch

The Post Office captured its first win of the season in Slo-Pitch League action at Kelley Park Wednesday as it turned back Eljer, 6-2 in one of four games played.

In other battles league-leading B & W Research pounded Salem Stamping, 14-1 to remain unbeaten in loop play; Lincoln Machine topped the Jaycees, 9-8 and Salem Stamping handed Eljer its second loss of the night with a 12-4 licking.

After losing five straight in first round play and one in second round action the Post Office collected 11 hits, including home runs by Don Loudon and Andy Saper to grab its first victory.

The winners tallied four runs in the first inning and two more in the fifth to move to a 6-0 lead over Eljer.

Spaen paced the Post Office attack with a perfect night at the plate, three-for-three. Boudon and Birdie Thomas had two safeties each.

Bob Whitehill Clark and Dick Peppel all had two hits for the Eljer team.

Barnett and Dearth socked homers to pace a 14-hit onslaught for B & W. The winners tallied their seventh win over the two rounds.

A six-run fourth and a four-run fifth turned the game into a rout for B & W.

Salem Stamping was led by Gus Falk with three-for-three at the plate and Al King who got two

hits. After the Jaycees took a 3-0 lead in the first frame Lincoln Machine came back with four runs in the second frame to ice the contest.

Dave Borrelli went three-for-three for the winners while Joe Yuhaniak collected three hits in four trips.

Bob Conroy, Jerry Binder and Wagner rapped two hits each for the losers. Mandalin smacked a homer for the Jaycees.

Salem Stamping racked all of its runs in the final four innings, including a four-run fifth and a five-run seventh.

Eljer pushed three tallies across the plate in the first frame and held the 3-0 lead until the fifth inning.

Falk paced the winners with three-for-three, giving him a perfect six-for-six for the evening's two games. Ed Doyle and Sid May had three hits for the winners.

Peanuts Carlariello socked a homer to feature for the Eljer team. Bob Whitehill, along with Carlariello, rapped two hits.

Iacozili, Seibert Seek Wins Again

'Destruction Derby' Heads Canfield Speedway Program

Another 11 event program of trials at 7, and the first event at Canfield Speedway this Saturday and last week's feature winners, Gus Iacozili of Warren, who posted his first feature victory of the season in the late models, and Jack Seibert of Girard, in his third amateur victory have served notice that they expect to take the lion's share of the purse.

A new event has been added to the regular 10 event program — a Destruction Derby — which should provide lots of thrills and excitement for the fans. The Destruction Derby pits cars and drivers in crashing competition. The cars continue to crash into each other until only one is left running and he is declared the winner.

Scholastic Gridders Begin Pre-Season Drills Friday

By BOB JULIAN

For some, the days, the weeks and the months of a year have little meaning but for high schools throughout the land the month of August has a special meaning — the opening of football practice.

Many of the area schools have been working this past week getting shoulder pads, helmets, thigh pads, and footballs out of storage in readiness for the beginning of pre-season drills that get underway Friday. Eight schools will have new head coaches at the helm this season.

The list of new head coaches includes Bob Hedmond at East Liverpool; Jerry Morey at Greenford; Jack Peterson at Canfield; Rey Dempsey at East Palestine; Dave Habeger at Crestview (formerly Fairfield-Waterford); Chet Riffle at Sebring; Dick Jones at Salineville, and Frank Mancini at Springfield Local.

Hedmond, who served as an assistant to Lou Vendetti, moved up when Vendetti went to Canton Lincoln. Morey succeeded Harry Frankland when Frankland moved to Cincinnati Indian Hills. Morey was an assistant under Frankland last year. Peterson was head coach at Hardin Northern for three years and F took over at Canfield when Mike Malmisur resigned to do graduate work at Bowling Green.

Dempsey came to East Palestine, after serving as an assistant at Hopewell, Pa., when Howard Weyers took the head post at Maple Heights. Habeger was reserve basketball coach at Fairfield-Waterford last year and moved into the head grid job when Bruce Weber was given the head coach position at the school after Bing Newton resigned to become an assistant coach at Salem.

RIFFLE, FORMER assistant at Alliance, takes the head coaching reins from Willard Stump who handled the Sebring team on a temporary basis last year. Jones, head basketball coach at Salineville last year, switched jobs with Al Girone, the grid boss at the school last season. Mancini, an assistant under Keith West, was elevated to the head post at Springfield Local when West moved to California.

Twenty area teams will compete in three leagues, Tri-County, Inter-County and Turnpike Conference while five aggregations are independents.

Independents

SALEM

Coach Blaine Morton will have four returning lettermen from last year's powerhouse that tasted defeat only once. Morton indicated that he will be working with an inexperienced team which is partly due to the light reserve schedule that was played last year.

Bill Beery, Fred Kaiser, Dave Edling and Butch Crawford are the returnees. Beery, a 178 lb. junior quarterback along with

Blaine Morton
Salem

seniors Kaiser and Edling will be the nucleus of a seasoned backfield machine. Crawford, a 190 lb. senior tackle will anchor the line. Others on whom Morton is counting heavily are seniors Bob Steele, Brian Houser, Bob Oswald, George Esterly, Roger DeCrow, Bob Adams, Forrest Lane and Ty Enders.

Either Jim Gibb, John Panzotti or Dave Capel could be in the other halfback slot, opposite Edling, when the Quakers open against Struthers on Sept. 8.

Salem lost 19 seniors through graduation, including All Ohio end Don Davidson and Ronnie Janovec, the power driving fullback who led the team in scoring with 58 points and in rushing with 753½ yards. Another position that will be hard to fill is the guard spot that was held down by Fred Harshman.

BEAVER LOCAL

Thirteen lettermen will greet Coach Jack O'Rourke when practice opens Friday. The biggest gap that O'Rourke will have to fill will be the halfback post held down last year by the leading scorer in the county, Ronnie McLaughlin.

Heading the list of returnees will be quarterback Mike Klembar, a 145 lb. 5-10, senior field general who paced the Beavers to seven straight wins last year. Others that O'Rourke will be looking to get Beaver rolling again will be Carl Hoppel, a senior halfback; George Gaydos, a junior fullback; Dave Meyers, a junior guard, who made All-County second team as a sophomore; and

Frances Passage, a senior halfback, who is tagged to fill McLaughlin's shoes, and David Duranberger, a senior halfback.

Meyers is the only returning letterman from last year's starting eleven. Lost from that team that compiled a 7-3 mark, besides McLaughlin, include Dale Beagle, Bill Reed, Bob Passage, Gary Williams, Francis Campbell, Roy

Jack O'Rourke
Beaver Local

Westover, Paul Bontempt and Jim Hall.

O'Rourke said that he will have a very inexperienced line but the backfield will be well-seasoned. The line will be beefed up by Pete Berger, a 6-1, 235 lb. junior tackle; Peter Berger, 6-1, 235 lbs., and Roger Walker, 6-1, 185 lbs. If these two boys come through the line will be pretty fair, O'Rourke disclosed.

EAST LIVERPOOL

New Coach Bob Hedmond will be in a rebuilding stage in his first year at the helm of the Potters. Six lettermen will be back, including three regulars.

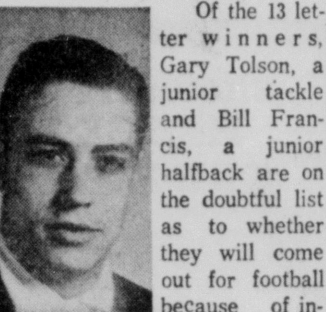

Hedmond said that the complete offensive line and backfield were graduated. Many inexperienced players will be in the lineup which is expected to be made up of some sophomores.

Halfback Alan Douglas and tackle Jim Ferelle, both seniors, and Tom Kraft, a junior halfback are the three regulars coming back. The other lettermen that Hedmond is hoping will come through are Jeff Hayes, a 202 lb. senior tackle; Vincent McKinney, a senior quarterback and George Anderson, a senior end.

The biggest hole that Hedmond will have to plug will be All-Ohio Ken Cunningham's quarterback slot. Besides the departure of Cunningham the Potters lost ends Mike Eon and Tim Archer; tackles Skip Hall and Joe Smith; guards Larry Crook and Glenn Mays, center Gary Montgomery, and backs Joe Thompson, Joe Goodballet and Craig O'Neil.

SALINEVILLE

Jack Baker, George Tepsic, Ron Jones, Jim Carter and Richard Baker will be the five regulars back along with eight other lettermen that Dick Jones, new head coach, will have to build from.

Of the 13 letter winners, Gary Tolson, a junior tackle and Bill Francis, a junior halfback are on the doubtful list as to whether they will come out for football because of injuries.

Jack Baker is a 195 lb. senior, four-year man, and is expected to fill the gap left when quarterback Ron Gianone graduated. Baker may run from the fullback spot but he has had experience at quarterback and at tackle.

Other than Baker the backfield looks like it will be very lean. Jones said that he doesn't have any speed and all positions are wide open.

The line will be held together by seniors, Ronnie Jones, a 190 lb. tackle and another four-year man; Tepsic, a 170 lb. center; Richard Baker, a 155 lb. end, and junior tackle Carter, who tips the scales at 210 lbs.

Besides Giannone, Jones will be without the services of halfback Ron Dunlap; tackle Jim Rogers; fullback Bud Leatherberry, and halfback Nick Richards, all of whom have graduated.

WELLSVILLE

Coach Ken Woods, beginning his fourth year at Wellsville, will

field an experienced backfield but a weak line, this season.

Returning to head the backfield corps is senior quarterback Roger Ours. The other members of the running team will be seniors John Euill, a 180 lb. fullback and Roger Miller, a 175 lb. halfback.

Woods will have in reserve a southpaw passer in Mark Leyda, a 130 lb. junior.

As far as the line goes all positions are wide open. Those whom Woods will count on to give him a strong line will be Jack Culp, at an end slot; Roger Merriman and Mike Thompson, both juniors, at the guard positions and 205 lb. tackle Al Jackson.

Graduated from last year's squad are Bob Kiggins, an end, and Phil Baldwin, a center who along with Ours, Euill, Miller and Jackson were the mainstays for the Bengals.

Tri-County

LEETONIA

Ten lettermen, all regulars last year, will carry the hopes of an improved season for Coach Ike Farrah's charges.

Heading the list of returnees will be tri-captains Eric Painter, a 160 lb. end; George King, a 197 lb. tackle, and Joe Gallo, an 187 lb. fullback. All of these boys are seniors.

Others back include juniors, Dan Ferry at guard; Steve Varble at an end slot; Paul Conrad at quarterback, and Frank Querrier also at quarterback. Seniors are Jim Less, at tackle; Guy Falzetta and Rich Troy at halfback.

Farrah said, "We will be an improved ball club because of the experienced players but we still need a break away runner." The Leetonia mentor indicated that Conrad may be switched from quarterback to halfback in an experiment to see if he (Conrad) can fill the bill as the speedster in the Bear attack.

Ike Farrah
Leetonia

Filling the shoes of All-Ohio Jody Sevenich at guard will be a tough job for Farrah as will finding replacements for Bob Gullett at halfback; Jim Stelts at center; Jim Fraser at tackle, and George Cole at end.

MINERVA

Gary Nigro, senior quarterback, who has been shifted from halfback and halfback Willie Bingham will be the big guns in the Minerva attack this season.

Eight lettermen will be on hand when Coach Glenn Sutherin opens drills Friday, seven are seniors and three were regulars last year.

Besides Nigro and Bingham in the backfield the forward wall will be anchored by 205 lb. senior tackle, Bob Wunderle who was a regular as a sophomore on defense and who went both ways last year.

Others who Sutherin will be expecting to come through will be

Glenn Sutherin
Minerva

center Dave Dourm, end Dave Finefrock, tackle Terry Lyons and guard Duane Marriner. Tom Knight, the only sophomore to letter last year as a defensive back is also returning.

Quarterback Gary Elliott's shoes will be tough for Sutherin to fill as will other graduated backs John Obney and Don Miller, a 230 lb. fullback. Altogether, nine seniors were graduated. Line men that will be hard to replace are Tom Casale, a tackle and Bob Murray, an end.

George Fisher
Columbiana

COLUMBIANA

"Lack of experience will be the big factor as to whether or not we have a winning or losing season," disclosed Coach George Fisher on the chances of the Clippers eleven this year.

The boy that Fisher is counting on to turn the tide towards a winning season is junior fullback Dale Murphy, one of four regulars returning out of 10 lettermen. Murphy is a 185 lb. power runner and has the speed to always make him a threat.

Dave Garrod, a 145 lb. senior end and Bob Johnson, a 180 lb. junior guard are the other two that Fisher is counting on heavily to form a nucleus for the team this year. Ed Olenik, a 175 lb. senior tackle will be expected to bolster the line.

Fisher said that with Johnson, Garrod and Olenik on the line, along with 220 lb. junior center, Ken Mahler, Columbiana should have one of the biggest forward walls since 1957.

Missing from this year's team are Fisher's four standouts last season which have graduated. Rich Harrold, All-County and Tri-County first team end; Paul Murphy, brother of Dale, who was the quarterback; halfback Gary Perkins and Don Culp, who made second team Tri-County at center.

POLAND

Seven returning lettermen will be welcomed back to practice by Coach Bill VanBrocklin with the mainstays being quarterback Tim Walter and halfbacks Bill Zimmer and Duncan Ingraham. Last year the Bulldogs shared the league crown with East Palestine.

Other letter winners include seniors Norm Kislig at end; Jim Guterba at guard, and Pat O'Brien at fullback. The only junior letterman was tackle John Sonnhalter.

VanBrocklin said that the prospects look good but that the team will be small and that seems to be the only handicap in the way of repeating last year's successful season.

The line was hurt the most by graduation while the backfield is pretty well set. O'Brien was an end last year but VanBrocklin has switched him to the fullback slot. VanBrocklin expects to have plenty of speed this season.

Those graduated include, Jim Harnisch at tackle; Bob Ludt at quarterback; Bob McLain at guard; Bob Galmish at halfback; Chuck Worsencroft at end, and Fred McDonald at fullback.

SEBRING

Five returning lettermen will attempt, along with new coach Chet Riffle, to stop a 19 game losing streak that has been built up over a two-year period.

Returning will be Jim Schwartzoff, a 155 lb. sophomore quarterback; Rick Tosti, a 170 lb. junior guard; Bob Rouse, a 165 lb. senior tackle; Jim Blake, a 160 lb. junior guard, and Bruce Smith, a 150 lb. senior halfback.

Riffle indicated that one or two seniors will be used and that the brunt of the load will be carried by juniors and sophomores.

Graduated from last year's team are Dale Minglehoff, Jerry Griener and Ray Dorr from the backfield and Bill Smith from the line.

EAST PALESTINE

Fred Hoaglin, a 195 lb. senior tackle, is the only returning regular that will greet the new head mentor, Rey Dempsey on Friday.

Dempsey will depend a lot on inexperienced players. Thirteen seniors were graduated last year, leaving only four seniors on the squad this season which means that juniors and some sophomores will be breaking into the lineup.

Heading the backfield will be captain Don Doll, a fleet, 160 lb. senior halfback. Dave Guy, a 160 lb. senior quarterback will aid the

Rey Dempsey
East Palestine

running of Doll with his passing.

On the line Dempsey will have Hoaglin, Walt Ashbridge, a 170 lb. senior guard and Dave Seiter, a 190 lb. junior tackle from which to rebuild the forward wall. With the graduation toll being so heavy Dempsey is having to rebuild a complete backfield and line.

Jim Bush, a 165 lb. junior fullback may be switched to a defensive post if Bill Grim, a 170 lb. senior fullback can come through. Senior Bob Schaplow, a 155 lb. fullback is expected to see considerable action.

Dempsey hopes to build his line around the regulars and with the help of juniors John Parker at end and Tom Keast at center along with senior guard Tony Merwin.

Halfback Jerry Bush, fullback Jim Wisser and quarterback Jack Istnick were the mainstays in the Bulldog backfield last year.

LISBON

Junior quarterback Larry McPherson, who tossed 12 TD passes last year, leads a group of 12 lettermen, including four regulars, into the Blue Devil camp Friday.

Besides McPherson, other regulars back will be three linemen, seniors Larry Buckley, an 185 lb. tackle and Steve Korodi, a 180 lb. end and junior tackle Larry Peruchetti, who tips the scales at 190 lbs.

Coach Bud Bucher is hoping that letter winners Tom Koonitz, ing scorer, senior Frank McDaniels, would be scholastically ineligible. Last season McDaniels ripped off many long gains in rolling up 16 TD's and two extra points to total 98 points.

With the loss of McDaniels, besides those taken through graduation, Zurbrugg still can have a bright outlook on the coming season. Ten lettermen will be returning, headed by quarterback Chuck Wilson and tackle Ernie Bjorkman.

Others whom Zurbrugg will be expecting to fill the gaps caused by graduation will be Dave Knodler, a senior halfback; Dwight Brunner, a 235 lb. senior tackle; Norm Wallace, a senior halfback; Tom Thurber, a junior halfback, and Howard Rhoads, a junior tackle.

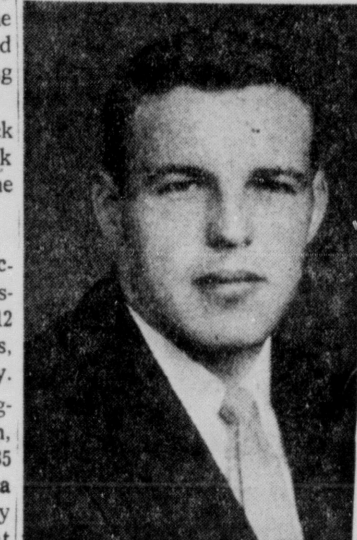

Regulars back include seniors Tom Eddy at center, Tom Griffiths at guard and Tom Roberts, who played end last year but who might be moved to the fullback slot.

Lost through graduation were Joe Meissner, the bruising fullback who was named most valuable. Others include, tackle and captain, Clyde Bjorkman; halfbacks Jim Anderson, Tom Baxter and Jim Rudibaugh; ends Gary Birkhimer and Tim Sanders; guards Gary Baker and Larry Stoffer, and center Walt Greenmeyer.

Turnpike Conference

WEST BRANCH

Coach Ralph Zurbrugg received a crushing blow when he learned that the conference's lead-

Ralph Zurbrugg
West Branch

ing scorer, senior Frank McDaniels, would be scholastically ineligible. Last season McDaniels ripped off many long gains in rolling up 16 TD's and two extra points to total 98 points.

With the loss of McDaniels, besides those taken through graduation, Zurbrugg still can have a bright outlook on the coming season. Ten lettermen will be returning, headed by quarterback Chuck Wilson and tackle Ernie Bjorkman.

Others whom Zurbrugg will be expecting to fill the gaps caused by graduation will be Dave Knodler, a senior halfback; Dwight Brunner, a 235 lb. senior tackle; Norm Wallace, a senior halfback; Tom Thurber, a junior halfback, and Howard Rhoads, a junior tackle.

Regulars back include seniors Tom Eddy at center, Tom Griffiths at guard and Tom Roberts, who played end last year but who might be moved to the fullback slot.

Lost through graduation were Joe Meissner, the bruising fullback who was named most valuable. Others include, tackle and captain, Clyde Bjorkman; halfbacks Jim Anderson, Tom Baxter and Jim Rudibaugh; ends Gary Birkhimer and Tim Sanders; guards Gary Baker and Larry Stoffer, and center Walt Greenmeyer.

WARREN ST. MARY

Coach George Landis lost from his championship squad last year his entire backfield composed of halfbacks Frank Chicko and Bill Meyers, fullback Dan Brutz and quarterback Andy Machak.

The way things look, Landis will be in good shape on the line and in the backfield with his mainstays being Frank Bertuzzi, Don Lapp, Bill Misocky, Carl Filkorn, and Jim Russo on the line. In the backfield, George Capito and Eddie Koehm will hold down the halfback posts while John Munno will run from the fullback slot and either Ken Petrilla or Mike Sorro will be the quarterback.

There is a possibility that six juniors will be in the lineup along with some sophomores. Seven seniors are expected to come out for practice.

Bertuzzi is senior while Lapp, Misocky, Filkorn and Russo will be juniors. All were regulars last year.

UNITED LOCAL

"This is the best we've had material-wise. The big factor in having a winning season will be that this is the first year that the coaching staff has not had any changes," disclosed Coach Ray Russell as he gets ready to greet 15 lettermen Friday.

Heading the list of letter winners are seniors John Hanna, the

Ray Russell
United Local

quarterback; Larry Marks, fullback; Pete Schweigert, tackle and the most valuable player last year, Whitey Willis, who led the team in tackles with 96.

Other lettermen include Ron Hawkins, end; Jim Sturgeon, end; Don Smallwood, guard; Chuck Lease, center; Pat Chestnut, end; John Blanchard, guard; John Marks, tackle; Ken Metzgar, end; Bill Schroyer, halfback; Gary Miliken, halfback, and Roy Nartley, guard.

Those not returning because of graduation include backs Paul Deville, Dave Metzgar, and Dan Jenkins along with linemen Alan Kinizat and Bob Koerlin.

Russell said, "We have the makings of a good team and if everybody works we will have a successful season."

SPRINGFIELD LOCAL

Seven lettermen will form the nucleus that new head coach Frank Mancini will attempt to mold into a winning combination.

Heading the list is Grant Hess, a 210 lb. senior tackle and center. Others who are expected to bolster the line are Bob Bowden and Sam McKinney, two senior tackles.

The backfield will be headed by junior Dick Bungard and senior Ron Wire at the halfback posts, and by fullback Paul Wolf, a senior. Junior Don Rauch is expected to be quarterback.

Halfback Jack Rauch, leading scorer last year, has graduated as has halfback Bob Breeding and quarterback Jim Allen.

CANFIELD

All nine returning lettermen played regularly during the past season for the Cardinals and comprise an experienced core with which new head mentor Jack Peterson will have to work with.

Returnees include, backs, Bill Arnold, Bill Hessman, Jim Chapman and Jim Williams who are all seniors; linemen are Ron Cook, Jay Eastman, Don Stock, also all seniors. The lone returning junior letter winner is 6-5, 195 lb. end Pete Ort.

Bob Dove, a 6-6, 195 lb. senior end was hurt most of last year

Jack Peterson
Canfield

and if he is healthy the Cardinals will field two of the tallest ends in the area.

Peterson said that the team will be slow and will lack experience. He disclosed that all positions are wide open.

The biggest shoes to fill will be those of last year's fullback, Bill Alcott. Others who were lost through graduation are Jack Raver and Bill Stevenson, both at halfback; Gary Koning at quarterback; Jack Henry, Art Moff, Jim Patterson, Ron Randall, Dan Wolboldt and Don Appleman on the line.

JACKSON-MILTON

A big and experienced line and a seasoned backfield may give Coach Jack Jones a winning season after last year's so-so record.

Fifteen lettermen will report to Jones Friday, including 11 regulars from last year. Heading the list of returnees are senior tackles Mike Wolosch at 195 lbs. and Tom Sherdian at 198 lbs. End Bill Rhade along with Jack Audino will give Jones a line that will average about 188 lbs.

The mainstays in the backfield are senior halfback Bob Johnson and sophomore fullback Bill Goldner.

Jones can call on 235 lb. Bill Champan to bolster the line for him along with center Bill Long

Jack Jones
Jackson-Milton

and end James Beaulieu. In the backfield Charles Harger will handle the quarterbacking spot while senior Bill Byers will run from the other halfback slot.

Rounding out the lettermen are junior center Charles Marsh and sophomore halfback Colin Muir.

Lost through graduation include the following: James Gorgei, quarterback; Tom Baclawski and Jim Klingerman, both linemen.

Inter-County

LOWELLVILLE

John Santillo's Rockets look like the class of the league again as 10 lettermen will return led by Larry Rotunno at quarterback and Ralph Johnson at center.

Bob Pratt, who made the Inter-County first team last year at end, will be switched to the fullback post. Santillo said that the success of this year depends on how fast Rotunno performs and how fast Pratt catches on to the fullback post. He never played there before.

Others who lettered and will

John Santillo
Lowellville

be counted on to come through are Mike and Marty Kamensky, twin brothers; Vito Argenziano; Joe Perry; Bill Navarra, and Jim Pence. Vince Carchedi, a sophomore center is going to see plenty of action, Santillo said.

Santillo will find it hard to replace All-State tackle Jim Dovich, who made the Class A first team on defense two straight years. Others who graduated from the undefeated championship squad include, Dennie McDonagh; Frank Notareschi, the leading scorer last year; Jim Flora and Chuck Schiavello.

NORTH LIMA

With 10 of the 11 lettermen returning being experienced seniors a successful season could be in sight for Coach Dick Rezek.

Heading the list of letter winners is senior halfback Roger Cooley who tallied 13 TD's last year and John Minter, a 180 lb. senior guard who will anchor the line.

Others who will be seeing considerable action include, Don Work, Ron Weaver, Bud Danks, Robbie Ackerman, Steve Harmon, Joe Cuhrie, Jim Reed, Darwin Peters and the lone junior letterman, John Zagotti, who will probably be used on defense.

Graduation took Lou Day, who made the first team Inter-County team with Cooley and Minter; Tim Hill; Ken Eichorn and Rich McGregor. All were regulars last year.

Lowellville, Warren St. Mary's, Poland, Palestine Won '60 Titles

By DICK BRAUTIGAM

In any sport everyone gets a special kick out of knocking off a champion. So, for the 1961 high school football season in the district, the number one targets will be as follows:

Tri-County League — East Palestine and Poland.

Turnpike Conference — Warren St. Mary's.

Inter-County League— Lowellville.

Columbiana County — Salem.

THE 1960 TRI-COUNTY League race was strictly a two-team affair. East Palestine and Poland mowed down everything in sight and settled the loop crown among themselves when they battled to a 6-6 tie.

This marked a perfect season for Poland who won the other eight games on its schedule although it did have a pair of 8-6 squeakers with Leetonia and Minerva, two other Tri-County foes.

In tying for the crown, East Palestine ran its domination over the Tri-County loop to five consecutive seasons. The Bulldogs were undisputed champs of the Tri-County from 1956 through 1959.

Their only blemish, besides the tie with Poland last year, was a 12-0 setback at the hands of a strong Beaver, Pa., eleven in the opening game of the season.

THE TURNPIKE CONFERENCE, in its first year of operation in 1960, had a hot two-team race between Warren St. Mary's and West Branch.

The title was decided in the second game of the season for both schools when St. Mary's upset the invading Warriors, 22-12. This turned out to be the only loss of the season for the rugged West Branch team but Warren St. Mary's went through the remainder of the Turnpike Conference slate without a defeat and claimed the crown.

Warren St. Mary's lost two games last year, one to Brookfield and the other to Newton Falls, but neither came in Conference play.

LOWELLVILLE'S defensive-minded Rockets made a run-away of the Inter-County League race. The Rockets, who turned out to be the only unbeaten and untied team in the district last year,

yielded a total of just 16 points in chalking up eight straight victories. Only league foes North Lima and McDonald managed to score against the Rockets.

While Lowellville was chalking up a 5-0 Inter-County League mark all other members of the loop were losing at least two games in league play. McDonald, Fairfield-Waterford and North Lima wound up in a three-way tie for second place with 3-2 records.

SALEM COPPED the mythical Columbiana County title by posting a 9-1-0 season's record. The Quakers were unbeaten until the next to last game of the season when East Liverpool stopped them 8-6.

East Palestine at 7-1-1 and Wellsville at 7-2-1 were runners-up to Salem in the County in the record department. Beaver Local got off to a fast start, winning its first seven games. However, the Beavers stumbled at the end of the season and wound up with 1-7-3 mark.

Just three months from tonight's official statistics and this year's final standings will be known. The 1961 football season in the district will end on Nov. 17.

Delicious East-West Salad

Tired of the same old salads? This new offering may beguile you.

The main ingredients for this combination are chicken or turkey, oranges and water chestnuts. For the usual background, spinach or other salad greens and chives are used. The recipe includes a mayonnaise dressing enlivened with soy sauce and other seasonings.

East-West Salad
6 cups torn spinach leaves

(packed down) or other salad greens, 2 cups diced cooked chicken or turkey, 1 can (5 ounces) water chestnuts (drained and cut in wide slices), 2 large oranges (peeled, sliced and diced), ¼ cup chopped chives, 2/3 cup mayonnaise, 2 tablespoons lemon juice, 1 teaspoon sugar, 2 teaspoons soy sauce, salt and pepper.

In a large salad bowl toss together the spinach, chicken, water chestnuts, oranges and chives. In a small bowl, mix together the mayonnaise, lemon juice, sugar, soy sauce and salt and pepper to taste. Pass dressing with salad; or, just before serving, toss dressing with salad. Makes 6 servings.

Stuffed 'N Grilled 'Burgers

By CECILY BROWNSTONE

Ever stuff hamburgers and grill them outdoors?

Once we discovered how fine these burgers taste, we went to town and tried many combinations. Try some of ours or create your own.

Before stuffing, divide each pound of beef into eight portions and flatten them well. Arrange the stuffing over half the patties; press the remaining patties over the stuffing. Seal the edges thoroughly, working the meat together with your fingers.

Lisbon Social

For its August meeting Tuesday, the Women's Christian Temperance Union enjoyed a picnic luncheon on the lawn at noon with Mrs. Lawrence McCormick at her home on the Lisbon-Leetonia Road.

The devotional period was in charge of Mrs. Clara Johnson and M's. Homer Bell. The president conducted a short business session with plans for the day camp for children at the Methodist Church on Friday, finalized.

Special guests were Mr. and Mrs. Donald Mayhew, Mrs. James Hollinger of Salem RD, Mrs. Stewart Mick and Mrs. H. Thompson of the Calcutta union, and Miss Dora Lones of Lisbon.

Mrs. Mayhew, who is the county WCTU president, reviewed an article from the WCTU bulletin, and Mrs. Mick and Mrs. Thompson each spoke briefly.

Mrs. J. A. Finney will receive the group at its September 19 meeting at her home on E. Lincoln Way, with Mrs. Pearl Armstrong as the co-hostess.

MRS. MARIE COSMA, president, presided when the auxiliary of Wilfred Clunk Post VFW met Tuesday evening at the post home.

Mrs. Eva Guthrie was elected and installed as a two-year trustee. Miss Kathryn McKee was the installing officer.

Plans were made to hold a benefit in September and also to hold a coverdish supper Aug. 29 at the home of Mrs. Maxine Ddams of W. Maple St. in honor of members with birthday anniversaries in July and August.

Mrs. Cosma and Mrs. Margaret Burghi thanked the members for their birthday remembrances of cards and calls.

The attendance prize was awarded to Mrs. Ollie Carnes.

The T.O.C. Group of First Christian Church enjoyed an out-

ing Tuesday evening in lieu of a regular meeting with dinner at Barbers' in East Palestine, a visit to the recreational area at Arrowhead Lake in Columbiana and a social time at the home of Mrs. Orin Lewton in Columbiana, one of the members.

Mrs. Hazel Jameson of E. High St. will be the hostess for the Sept. 19 meeting.

THE CLOVERLEAF 4-H group spent two days this week on an Ohio tour. They visited the State House at Columbus, saw a style show, presenting the Junior Miss America, at a Columbus department store, and visited Schoenbrun Village near New Philadelphia and the display of the master wood carver of the world at Dover.

The 15 members were accompanied by their advisers, Mrs. Phyllis Rupp, Mrs. Jean Morgan, Mrs. Evelyn Ferguson and Mrs. Winifred Donahey.

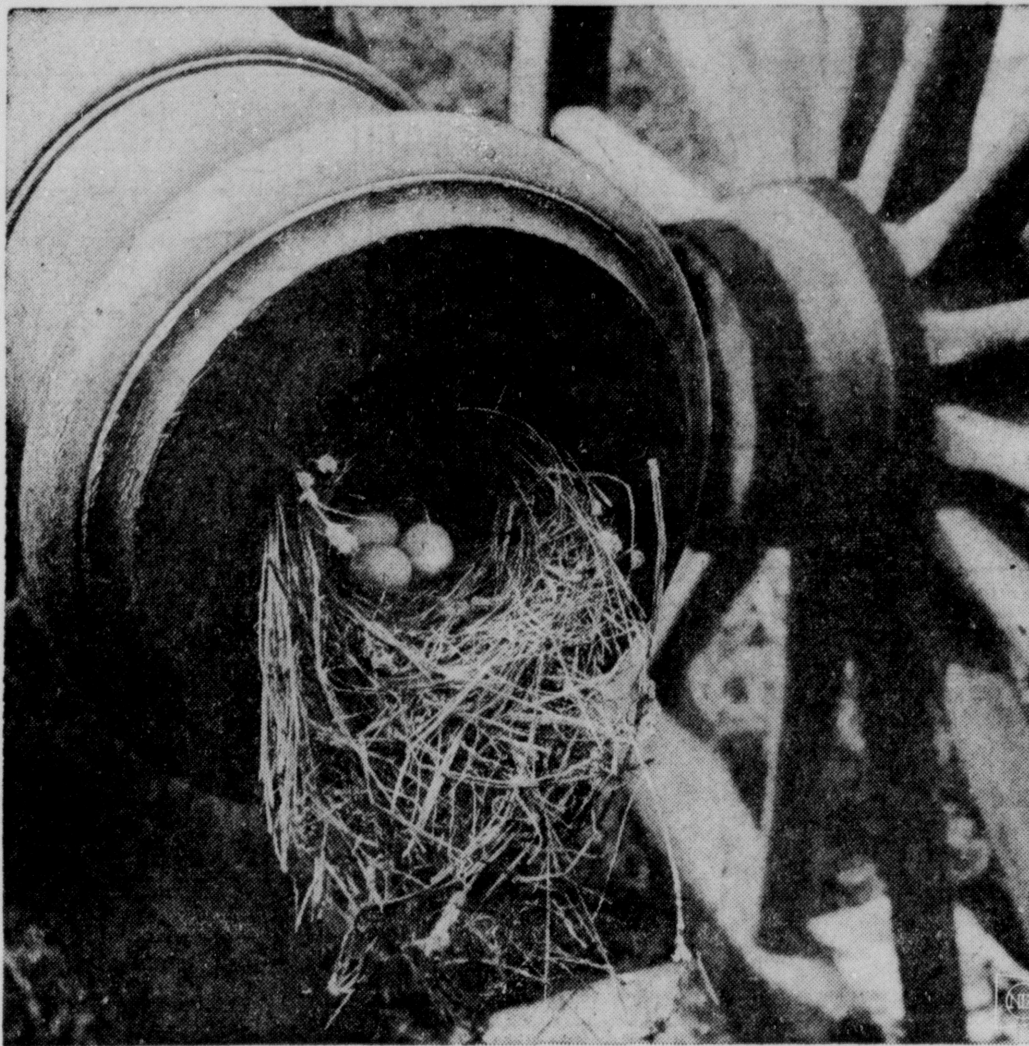

The "bull dogs" baseball team, champion of the D League, held a family picnic Wednesday evening at Willow Grove Park. Some 60 were in the group. The team honored their manager, Rollin Liggitt.

Mrs. Homer Ferguson showed colored slides of the team which she had taken and also some travel slides.

Games followed in charge on Mrs. Bus Simpson.

J. E. HINCHLIFFE and Mrs. Harry Detemple accompanied by their mother, Mrs. J. H. Hinchliffe, Wednesday attended the funeral of their aunt and sister-in-law Mrs. Adelaide Hinchliffe Kisner in Cleveland.

Mrs. Kisner, 90, a native of Lisbon, had resided in Cleveland for many years and more recently with her son, Walter in Rochester,

"AND SPEARS INTO PRUNING HOOKS" — Now that men no longer have any use for it, a bird has taken over this cannon at the Chickamauga-Chattanooga National Military Park near Chattanooga, Tenn. A century after the gun's last echo in the Civil War, the nest might well belong to a dove of peace at the nation's oldest and largest military park.

N.Y. She is also survived by a son, James E. of Columbus.

Mr. and Mrs. Russell Shaw and son, Joe, of Jerome St. returned home Sunday from a vacation trip through the historical spots of Virginia, Williamsburg, Yorktown and Jamestown, Washington, D.C., and Gettysburg.

Mr. and Mrs. Richard T. Mason and children, Albert and Valerie, of Thomas Road returned home

Sunday night from a 10 day vacation trip through the northeastern states.

Elkton

W.S.C.S of the Methodist Church met Wednesday, Aug. 16th at the Parish Hall at 11:30 a.m. and will go to Guilford Lake for a covered dish dinner.

Rev. C. L. Cope of Lisbon de-

livered the sermon "The Christians Attitude Toward The Gospel" Sunday at the Methodist church, due to the absence of Rev. William L. Brown, who is vacationing with his family for two weeks.

Mr. David Atkinson, a student for the ministry will fill the pulpit next Sunday, Aug. 20th. He is presently serving as a staff member at Camp Aldersgate.

Mrs. Harold Kyser of Columbiana has returned from the Salem City Hospital to the home of Mr. and Mrs. Gerald Wymer of the West Point Rd. where she is recovering from recent surgery.

Mrs. Jessie Ford of Lisbon was a weekend guest of Mr. and Mrs. George Ellis and family.

Mr. and Mrs. George Jones, Mr. and Mrs. George Eells and Mr. and Mrs. Delmar Harold attended the wedding reception of Mrs. Jones niece, Thelma Parsons of East Liverpool, Miss Parsons married Bernard Kozora.

Mrs. Ralph Moore entertained at her home recently in honor of her father, Clifford Ward. Those attending were Mr. and Mrs. Glen Ward and family of New Waterford, Mr. and Mrs. Floyd Ward and children of Columbiana, Mr. and Mrs. Lloyd Neville and son, Mr. and Mrs. Richard Neville and children and Mr. and Mrs. Clifford Ward, all of the Signal Rd.

Mrs. Ralph Moore and children, Mrs. Clifford Ward, Mr. and Mrs. Richard Neville and Mr. and Mrs. Lloyd Neville attended the wedding and reception recently of Miss Evelyn Neville, daughter of Mr. and Mrs. Francis Neville of the Signal Rd. and James Harold of Canfield, at the St. Paul's Lutheran Church in Leetonia.

4-H Club News

Fairfield Junior Farmers Ronnie Cook was host to the club at a recent meeting when plans were made for the exhibition booth at the county fair. The club is also entering the tumbling team as part of the 4-H Revue program. Self-scoring was completed and the comments from the judging were given.

Mrs. Cook served lunch.

Mahoning Junior Leadership The club met Monday in the 4H building at the Canfield Fair with 52 members present. It was decided the theme of the fair booth would be "Progress Through 4-H"

A committee will meet Saturday at the same place to set the foundation for the flag poles.

The next meeting will be a barbecue and college farewell party at the fairgrounds Sept. 11.

Scientists Rarely Defect From Soviet

BERKELEY, Calif. (AP)—The quitting of the Soviet Union by a chemist is a rare if not the first defection by a prominent scientist from the new Soviet aristocracy.

For in the U.S.S.R. the scientist and teacher are among the aristocrats so far as better pay and better living go. A premium is put on education and high skills.

Dr. Mikhail Klotchko presumably gave up more than most Soviet citizens who have asked asylum. But personal reasons, or possible reverses in his career, have not been spelled out yet.

Dr. Klotchko's awards of the Stalin Prize and Order of Lenin indicate he stood well among the Soviet scientific hierarchy. So does his assignment to travel abroad.

But chemistry is not one of the stronger sciences in the Soviet Union, in the judgment of most Western scientists. Possibly it is not so well supported financially as mathematics, physics, astronomy, and space research in which the Russians are most active.

A high official of the Soviet Academy of Sciences, asked how scientific research is budgeted, said, "We don't always get what we ask for in each field. Sometimes we have to wait another year or so before we can plan certain things."

Unhappiness over chemistry's share of the research fund melon possibly contributed to Dr. Klotchko's defection.
